

FACILITIES CONNECT - SERVICE REQUEST CATEGORIES AND TYPES

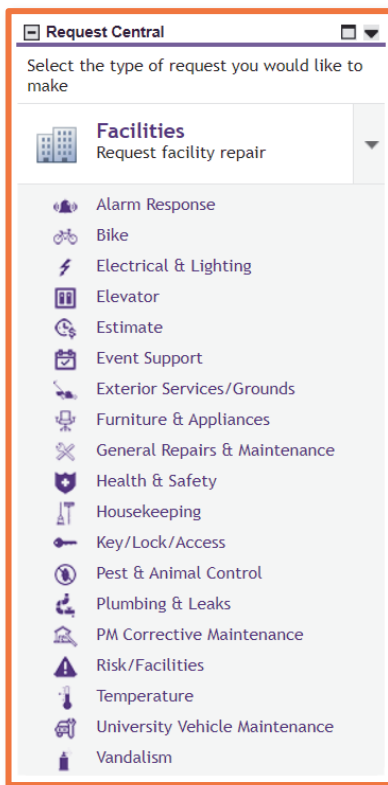

Provides a complete listing and definitions of available Request Categories and Service Request Types for submitting a Service Request in Facilities Connect.

▼ GETTING STARTED

To initiate a new Service Request in Facilities Connect, you must select a **Request Category** and **Service Request Type**. For a detailed walkthrough on how to submit a Service Request, please refer to the **Create a Service Request** job aid.

1

In Facilities Connect, all **Service Requests** are initiated from the **Request Central** menu

2

To begin, select the appropriate **Request Category** for your request.

You will then select a **Service Request Type** when entering your request. This document provides a full listing of **Request Categories** and **Service Request Types**.
