Short-Term Research Experience for Underrepresented Persons  
(STEP-UP)

ARE YOU LOOKING FOR AN EXCITING SUMMER RESEARCH OPPORTUNITY?

The National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK) of the National Institutes of Health announces the 2015 STEP-UP Program. The program provides an opportunity for undergraduate students to conduct biomedical research for 10 weeks during the summer.

STEP-UP Program Participants Receive:

- Summer stipend of $4,500.
- An opportunity to conduct biomedical research with leading research scientists throughout the U.S.

Eligibility:

- Be a U.S. citizen, non-citizen national, or legal permanent resident.
- Be enrolled as a full-time undergraduate student at a U.S. 2 or 4-year college or university.
  - Have a minimum overall 3.0 GPA (on a 4.0 scale)
- Have personal medical/health insurance coverage throughout the duration of the program
- Come from backgrounds underrepresented in biomedical research
