Med-Serve -

A fellowship connecting future medical students with community-leading, innovative primary care practices across North Carolina.

As a MedServe Fellow, you will:

- Become an active member of a healthcare team
- Work in the community to impact local health issues
- Complete a pre-medical development curriculum
- Be mentored by a rock-star primary care physician

Learn more at www.med-serve.org

Apply before: March 1, 2016
