COMPARATIVE PUBLIC HEALTH:

SERBIA AND BOSNIA-HERZEGOVINA

LOCATION: University of Belgrade and University of Sarajevo

TERM: Summer Quarter 2016

PROGRAM DESCRIPTION: Spend four weeks in Belgrade, Serbia, and four weeks in Sarajevo, Bosnia-Herzegovina. Explore and compare the unique political and public health challenges that face these post-socialist, post-conflict societies through courses and field activities at community health organizations.

COURSES:
- Post-war Mental Health in Serbia and Bosnia-Herzegovina
- Public Health in Serbia and Bosnia-Herzegovina
- Post-conflict Transitions in Serbia and Bosnia-Herzegovina
- Slavic Civilizations

Students earn 4 Northwestern credits; there is no language requirement

APPLICATION DEADLINE: March 1, 2016
