ACCOUNTING SERVICES

Important Considerations

- **Journal Dates:** choose the appropriate date when processing journals, and note that expenditures and other costs should be posted within 90 days of their occurrence.

- **Cash Receipt Ticket (CRT) final deposits journal:** bank deposits in transit accrual will be processed by central offices to post revenue in the appropriate fiscal year.

- **Other Interface Activity:**
  a) SES tuition expense encumbrance released for FY17 and reinstated for FY18 on 9/1/17;
  b) CaTracks final FY17 interface to the GL on 9/13/17;
  c) FM final FY17 job cost interface to the GL by 9/18/17.

- **Petty Cash:** accounts do not need to be closed at year end (note that verification letters sent out recently – please review, respond and close out if unused).
  - Contact Ida Zreiqat at 847.491.4702 with questions about your account.
ACCOUNTING SERVICES

Important Considerations

• **Endowment distributions:** final FY17 distributions by 9/11/17 and principal transfers/adj. due by 9/21/17.

• **Payroll Journals:**
  a) Final FY17 *only* journal to the GL will run on 9/7/17;
  b) BiWeekly split pay date is 9/15/17 with 40% FY17 and 60% FY18;
  c) First FY18 encumbrances are also scheduled for 9/15/17 interface to GL.

• **Prepaid travel in FY17:** travel that has a departure date of 9/1/17 and beyond will be posted to a FY17 balance sheet and recharged in FY18 to properly reflect the fiscal year activity. The transactions on your budget statement will include the invoice number, traveler's name, and departure date. Travel fees will post in the month assessed.
ACCOUNTING SERVICES

Important Considerations

- **Assets-Equipment**: please continue to work on completing your annual equipment inventory for FY17 ([northwestern.edu/controller/accounting-services/equipment-inventory/index.html](http://northwestern.edu/controller/accounting-services/equipment-inventory/index.html));

- Please submit capital equipment disposals, assets transfers in a timely manner, including change of custodian, custodian department, or physical location, via the Asset management Self-Service portal (NUPortal) by 9/22/17 for FY17;

- Please refer to the capital equipment policy regarding the disposition of equipment including but not limited to tag removal, and removal of or segregation from the area's functioning equipment population. This is especially important as it pertains to equipment acquired using federal or other sponsored funding ([northwestern.edu/financial-operations/policies-procedures/policies/equipment-policy-manual.pdf](http://northwestern.edu/financial-operations/policies-procedures/policies/equipment-policy-manual.pdf)).

Accounts Payable

Key Dates

FY17 – FY18

**SEPT 13**
- FY17 *electronic* transactions (Expense Reports, Payment Requests) must reach Accounts Payable Approval Inbox by 5:00 pm to guarantee payment in FY17
- FY17 paper documents must be delivered to Accounts Payable office by 5:00 pm to guarantee payment in FY17
- Scanned FY17 invoices must be delivered to invoices@northwestern.edu mailbox by 5:00 pm to guarantee payment in FY17

**SEPT 15**
- Accounts Payable and Expenses modules in NUFinancials will close at 5:00 pm
- Expense Reports with a status of "Submitted for Approval" or "Approvals in Process" will be sent back for resubmission in FY18
Important Considerations

- Goods & services received by 8/31/17 will be charged as FY17 expenses
- Invoices for FY17 goods and services that should have been initiated via the REQ/PO process can be paid using Payment Requests (9/1-15 only)
- From 9/1/17 – 9/15/17, the Accounting Dates for Expense Reports will be determined by the dates of travel. For example, if all the travel dates entered were from August 2017, the Accounting Date will default to FY17
  - If the travel crosses fiscal years, the Accounting Date will default to the fiscal year with the majority of expenses
- From 9/1/17 – 9/15/17, the Accounting Dates for Payment Requests will be determined by the invoice dates
  - Accounts Payable will be monitoring Payment Requests closely to ensure that items are paid in the correct fiscal year and will make necessary changes
- All open Travel Authorizations will be closed and the encumbered funds will be returned to the originating chartstrings. Department chartstrings will be charged when open Cash Advances are reconciled.
