FELLOWSHIPS

Open Competition for EXPANDED Fulbright ETA Awards in Brazil – awards begin February 2018!

Portuguese *and* Spanish speakers are eligible!

With funding from the Brazilian government, the Fulbright Brazil ETA Program is expanded for the Program Year **2017-18** with 76 additional grants to be offered. A special open application period will be held from May 2 to July 14, 2017. **The deadline is Friday, July 14, at 5:00 pm Eastern Time.**

To be eligible, applicants must be a U.S. citizen and **hold a bachelor's degree by July 14, 2017**. Additional requirements/preferences for this program include:

- Must be available for the full grant term: mid-February to November 2018
- Cannot be residing in Brazil for more than three months in the 12 months prior to the grant start. Exception can be made for language immersion program enrollment
- Proficiency in a Romance language at the intermediate level (equivalent to 2 years college-level study) is required at the time of application
- Experience working in an educational environment, specifically with classroom teaching or leadership is strongly preferred.

You may apply for both the Fulbright ETA Expansion 2017-18 (February 2018) and any Fulbright U.S. Student Program for 2018-19. However, if you receive and accept the grant for 2017-18, you will not be eligible for the 2018-19 program. Note that the Fulbright U.S. Student Application 2018-19 is separate and distinct and, therefore, the same email address can be used for both.

Persons who applied for a Fulbright U.S. Student Program in the fall 2017 but did not receive a grant offer for 2017-18 are also eligible to apply for this opportunity. In this case, candidates will create a new application account in Embark **with a different email address** and complete the full application—respond to all questions, revise and upload new essays, request new Reference Forms (2 are required for this competition), request a Foreign Language Evaluation in one of the required languages, and upload the most recent transcript(s) of all degree-level course work.

Please note there is a separate application for this award that will be found in the country description. Applicants must apply through the appropriate portal to be considered. For further information, please refer to the [Brazil Country Description](#). If you have specific questions about this opportunity, contact Jody Dudderar (jdudderar@iie.org, 845-212-5565) at IIE. **The Northwestern Campus Contact is Amy Kehoe,** Office of Fellowships, amy.kehoe@northwestern.edu. Contact Amy if you have questions and/or plan to apply.
