Researching Required Course Materials on CAESAR

1. You will start your research by logging in to CAESAR at northwestern.edu/caesar with your netID and password.

2. From the main menu, look for the heading “Class Search and Catalogs”

3. From here you will need to select “Search Class Descriptions in CAESAR.”

4. Once you are on this page, use the dropdowns to select the appropriate Academic Group and Course Subject and click the “Search” button.

5. On the results page, select your course from the Class Descriptions presented.

6. At the bottom of the Class Description page you should find a listing of the required materials under “Class Materials.”
