KEY DISRUPTIONS THIS WEEK

The following disruptions to campus life due to construction can be expected:

A. Ryan Fieldhouse and Walter Athletics Center: Parking lot and roadway closure east of Henry Crown will continue through July 2018.

B. Willard Hall Renovation: Interior renovation and exterior repairs with sidewalk detours on Sherman and University Place through December 2017.

C. 560 Lincoln Residence Hall: Sidewalk disruption through August 2017. Underground site utility work along east side of Kemper Hall to be complete by June 9, 2017, with pedestrian detours. Additional utility work on west side of Slivka Hall will be complete June 2, 2017.

D. Mudd Hall Renovation and Addition: East Tech Drive roadway closure and sidewalk closures will continue through August 2017, with restricted pedestrian and bicycle access along East Tech Drive.

E. Exterior Lighting Improvements: Campus-wide project to upgrade pole-mounted lighting will continue through October 2017. Current primary work area is north end of campus between North Tech Drive and Lincoln Street, including Elder Hall. Other work areas include Athletic Campus, University Library perimeter, and area around 1835 Hinman. Fenced staging area at Allen Center loading dock.

F. Sheridan Road/Chicago Avenue: Phased reconstruction of pavement with added bike lanes, through November 2017. Phase 1, Chicago Avenue between Sheridan Road and Grove Street, will be complete June 9, 2017. Contractor is also working along west side of Sheridan Road, from Chicago Avenue to Lincoln, to relocate street lighting.

I. 640 Colfax: Exterior improvements, including ADA ramp, to be complete July 2017. Construction fence will be installed with start of ADA ramp.

J. Welsh-Ryan Arena: Renovation and additions will continue through October 2018. Utility hook-ups for Athlete’s Table facility in East Ryan lot continue. Dining facility will be in-place through Summer 2018, with some reduction in parking capacity.

K. House By Northwestern: Work is underway to prepare the site for student-led construction activity. House construction is slated for mid-May through October 2017.
The following additional disruptions to campus life due to construction can be expected:

L. **Tech Electrical Upgrades:**
   Installation of new utility vault along south edge of South Tech Drive, to be complete May 14, 2017. Intermittent lane restrictions and pedestrian detours.

M. **University Hall Utilities:**
   Replacement of underground utility lines from 1902 Sheridan Road to University Hall, to be complete June 2, 2017. Increased construction traffic and pedestrian detours.

N. **Louis Hall Exterior Improvements:**
   Construction closeout underway with some construction traffic.

O. **Utility Repair:**
   Existing chilled water line back in service following repair. Site restoration at CUP complete, Silverman Hall plaza will be complete May 13, 2017.

P. **Frances Searle Renovations:**
   Renovation of various lab spaces. Fenced dumpster immediately east of building, in Cook Hall parking lot through June 4, 2017.

Q. **2135 Orrington:**
   Exterior improvements to residential property. Intermittent sidewalk closures for material deliveries to fenced front yard, through June 30, 2017.

R. **2522 Orrington:**

S. **Shepard Concrete Walk:**
   Concrete repair in area around ATM on University Place. Increased construction traffic and partial path restrictions. To be complete May 18, 2017.

T. **West Ryan Lot:**
   Improvement to Central Street curb-cut to eliminate landscape damage from buses. Intermittent sidewalk restriction, to be complete May 22, 2017.
