KEY DISRUPTIONS THIS WEEK

The following disruptions to campus life due to construction can be expected:

A. Ryan Fieldhouse and Walter Athletics Center: Parking lot and roadway closure east of Henry Crown will continue through July 2018. Work near North Garage exit will continue through September 8, 2017, with intermittent lane restrictions on Campus Drive.

B. Willard Hall Renovation: Interior renovation and exterior repairs with sidewalk detours on Sherman and University Place through December 2017. Final landscaping will be installed Spring 2018.

D. Mudd Hall Renovation and Addition: East Tech Drive roadway and sidewalk closures will continue through August 2017, with restricted pedestrian and bicycle access along East Tech Drive. The NE entrance to Cook Hall will be closed through August 1 for landscaping.

E. Exterior Lighting Improvements: Campus-wide project to upgrade pole-mounted lighting to continue through October 2017. Current primary work areas are south of Jacobs Center to Sheridan Road, and the south residence hall area including Foster-Walker. Fenced staging area in Allen Center loading dock.

F. Sheridan Road (Evanston and State of Illinois): Phased reconstruction of pavement with added bike lanes, through November 2017. Phase 2 from Chicago Avenue to Lincoln is expected to continue until mid-October. Lane restrictions on west side of Sheridan with restricted pedestrian crossing locations. Only Lincoln, Foster Street and Noyes Street will remain free of disruption starting July 19.

G. Kellogg Global Hub: Construction closeout and follow-on projects continue. Roofing activity on east and west canopies through July 30, 2017, with intermittent sidewalk restrictions and material storage in loading dock.

H. Tech A/B Infill: Caisson installation is underway, to be followed by general construction which will continue through May 2019. North Tech Drive is closed between Sheridan Road and Tech E-Wing, and south edge of Sargent Hall lot is being used for material handling with loss of parking spaces; these disruptions will continue for duration of project.

I. 640 Colfax: Exterior improvements to be complete July 30, 2017.

J. Welsh-Ryan Arena: Renovation and additions will continue through October 2018. Reduced parking capacity in East Ryan Lot through Summer 2018. Site work at northwest corner of Ryan Field continues through August 18, 2017.

K. House By Northwestern: Student-led construction activity will continue through October 2017.

L. 2331 Sheridan Road: Renovation of opt-out fraternity, to be complete March 2018. Fenced area, with construction access from Patten Gym parking lot.
The following additional disruptions to campus life due to construction can be expected:

M. 720 University Place: ADA improvement to restroom, to be complete September 8, 2017. Fenced storage adjacent to Lutkin Hall.

N. Deering Library Facade: Masonry restoration on west façade and north towers, through September 1, 2017. Scaffolding will be in place for duration, with west entrance open at all times.

O. 2135 Orrington: Exterior improvements to residential property. Intermittent sidewalk closures for material deliveries to fenced front yard, through July 30, 2017.

P. Frances Searle Renovations: Renovation of various lab spaces. Fenced dumpster in Cook Hall parking lot through August 30, 2017.

Q. 2020 Ridge: Phased exterior repairs and interior renovation through December 2017 with fenced area on west side of building.

R. 640 Emerson: Installation of accessible ramp for opt-out sorority, to be complete September 2017. Fenced construction area with pedestrian detour, and material handling area curbside on Emerson Street.

S. North Campus Sanitary Sewer: Phased installation of new sanitary sewer serving multiple north campus buildings; current phase will continue through August 15, 2017. Fenced construction staging area in the east portion of Cook Hall lot. Night work in Campus Drive with lane restrictions and flaggers; drive to remain open during day.

T. Hogan Hall Roof: Replacement of roof membrane and 6th floor glass wall system, through September 8, 2017. Fenced construction area in loading dock, with two blocked loading bays. Increased construction traffic and noise.

U. Underground Data Cabling: Installation of fiber optic cable along Sheridan Road beginning north of Lincoln Street to Clinton Place, then west on Clinton Place to Orrington. Intermittent lane and sidewalk restrictions through August 4, 2017.

V. Sheridan Road Parking Lot Lighting: Phased replacement of parking lot lighting in multiple lots, to be complete August 16, 2017. Work area is being shifted to south half of Tech Parking Lot through July 22. Foster and Library Place Parking Lots will be closed July 22 – August 11.

W. University Hall Utility Vault Work: Replacement of valves and improvements to vaults, through July 30, 2017. Increased construction traffic.

X. 710 Emerson Interior Work: Renovation of bathrooms to be complete September 1, 2017. Fenced equipment area near building, and increased construction activity, including material movement to area shared with 640 Emerson project.

Y. University Place: Underground utility installation from Mid-Quads to Willard Hall, through September 1, 2017. Daily lane restrictions with flaggers. Street parking restricted as required for safety.
The following additional disruptions to campus life due to construction can be expected:

Z.  **Mid-Quads Utilities:** Excavation and maintenance of vault in Mid-Quads courtyard, with pedestrian detours, to be complete July 21, 2017.

AA. **Allison/Crown Loading Dock:** Replacement of loading dock doors to be complete July 17, 2017. No anticipated disruptions to access.

**Beginning Soon**

BB. **Allen Center Paver Repairs:** Replacement of cracked and settled driveway pavers at entrance to building, starting July 24, 2017 and complete August 11. Drive lane to remain open at all times.
