

*Greek Man of the Quarter Nomination*

The purpose of the "Greek Man of the Quarter" award is to recognize outstanding achievement by a member of the Northwestern Fraternity Community based on his academic endeavors, community involvement, and respect from his peers.

During the first chapter meeting of the quarter, please have your members nominate one man to represent your chapter as the "Greek Man of the Quarter." Your nomination is based off of the member's academic, philanthropic and service work. Of the 16 nominees, one will be chosen by the Interfraternity council to be Northwestern's "Greek Man of the Quarter." The winner will be rewarded with a scholarship and a congratulatory article in the Daily Northwestern.
