

Your Work/Life Benefits

family

The Northwestern University strives to provide a family-friendly environment for its faculty, staff and students. Nursing mothers have access to dedicated mothers' rooms.

Mothers' Room Locations

Procedures:

- Nursing mothers will be issued a key for long-term or daily use and will be responsible for the key and its return. Long-term users will retain keys for the duration of their anticipated use. Daily visitors are expected to return the key after each use.
- To reserve the room in advance, users should enter their name in an available time slot in the reservation book, which is located inside the mothers' room. Guests are asked to respect the needs of other users.
- Guests are welcome to use supplies and are expected to maintain the cleanliness of the room after use.
