

***Benefits-eligible Northwestern University employees  
receive discounts for their child's Roycemore School program:***

- 25% off Educational Programs
- 25% off Extended Day Care
- 25% off Summer Programs  
(Additional program fees excluded)

We are pleased to announce that Roycemore School provides a **25% tuition discount** to all benefits-eligible Northwestern University employees with children enrolled in Roycemore's educational programs (Junior Kindergarten through Grade 12). The school also offers a **25% discount** for the Extended Day Program, which provides wrap-around care for children enrolled in the Junior Kindergarten through Grade 4 educational programs. The program begins as early as 7:30 a.m. and is available until 6 p.m.

In addition to Roycemore School's tuition discounts, NU employees can help defray childcare costs by participating in the Dependent Care Flexible Spending Account (FSA) Program. Tuition and fees for Junior Kindergarten, Kindergarten, Summer Camp and Extended Day Care are eligible expenses for FSA reimbursement. Contact the Benefits Division at (847) 491-7513 for information about FSA.

For more information, please contact Carolyn Coyne, Director of Admission, at (847) 866-6055.

**Policies**

1. The Extended Day Program during the regular academic year is available only to students who are enrolled in the academic program at Roycemore.
2. Families must apply for admission through the normal Roycemore admission process and be accepted for enrollment by the Admissions Committee which consists of the Director of Admissions, the appropriate Division Head (Lower, Middle, Upper) of the School, and the Headmaster.
3. Once a student has been admitted, the enrollment becomes official only when the family has signed an enrollment contract and has paid a \$500 non-refundable tuition deposit.
4. All students are expected to follow the policies and rules of Roycemore, and the School reserves the right to dismiss a student for good cause.
5. The Summer Day Camp and Discovery Unlimited Programs are available to students throughout the broader community even if they are not enrolled in Roycemore's regular academic program.
6. Discounts apply only to those charges which are designated as tuition or Extended Day Program (including Summer Day Camp and Discovery Unlimited). Discounts do not apply to fees for snacks, lunch materials, busing, or individual help provided by learning assistance teachers.
