  • 50% reimbursement of tuition and eligible fees
  • 8 semesters/12 quarters lifetime maximum

Northwestern offers educational assistance plans to eligible faculty and staff. These plans provide financial assistance to full-time faculty and staff, and retirees, who have higher education expenses for themselves, their spouse/civil union partner and their dependent children under age 26.

This summary highlights the features of the Northwestern Educational Assistance plans. For a complete description of plan eligibility and benefits, please see the Northwestern University Health & Welfare Summary Plan Description handbook.
