Your Health Care Benefit Program

A message from

Northwestern University

This booklet describes the Health Care Plan which we provide to protect you from the financial burden of catastrophic illness or injury and as an alternative to coverage available from Health Maintenance Organizations (HMO's).

To assure the professional handling of your health care claims, we have engaged Blue Cross and Blue Shield of Illinois as Claim Administrator.

Please read the information in this benefit booklet carefully, particularly references to eligibility, preexisting conditions waiting period, exclusions, pre-authorization provisions (Utilization Review Program) and the provisions that claims must be submitted 6 months from the date of service, so you will have a full understanding of your health care benefits. If you want more information or have any questions about your health care benefits, please contact the Claim Administrator at 800-327-8497 or the University Benefits Division.

Sincerely,
Northwestern University

NOTICE

Please note that Blue Cross and Blue Shield of Illinois has contracts with many health care Providers that provide for the Claim Administrator to receive, and keep for its own account, payments, discounts and/or allowances with respect to the bill for services you receive from those Providers.

Please refer to the provision entitled “Claim Administrator’s Separate Financial Arrangements with Providers” in the GENERAL PROVISIONS section of this booklet for a further explanation of these arrangements.

Blue Cross and Blue Shield of Illinois provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims.

LIMITED BENEFITS FOR NON-PARTICIPATING PROVIDERS

You should be aware that when you elect to receive Covered Services from a Non-Participating Professional Provider in non-emergency situations, the amount of the benefit payment to such Non-Participating Professional Provider will be a reduced benefit payment that would have been made if services had been rendered by a Participating Professional Provider and not the actual billed charge. **In certain cases, you can expect to pay in excess of 50% of the Non-Participating Professional Provider’s billed charge even after the Claim Administrator has paid the Maximum Allowance under your coverage.** Participating Professional Providers have agreed to accept the Maximum Allowance (please refer to the definition of “Maximum Allowance”) with no additional billing after you have paid your Coinsurance and deductible amount.

You may obtain further information about the participating status of Professional Providers and information on out-of-pocket expenses by calling the toll free telephone number on your identification card.

DEFINITIONS SECTION

Throughout this benefit booklet, many words are used which have a specific meaning when applied to your health care coverage. These terms will always begin with a capital letter. When you come across these terms while reading this benefit booklet, please refer to these definitions because they will help you understand some of the limitations or special conditions that may apply to your benefits. If a term within a definition begins with a capital letter, that means that the term is also defined in these definitions. All definitions have been arranged in ALPHABETICAL ORDER.

The ADP applicable to a particular Claim for Covered Services is the ADP, current on the date the Covered Service is rendered, that is determined by the Claim Administrator to be relevant to the particular Claim. The ADP reflects the Claim Administrator’s reasonable estimate of average payments, discounts and/or other allowances that will result from its contracts with Hospitals and other facilities under circumstances similar to those involved in the particular Claim, reduced by an amount not to exceed 15% of such estimate, to reflect related costs. (See provisions of this benefit booklet regarding “Claim Administrator’s Separate Financial Arrangements with Providers.”) In determining the ADP applicable to a particular Claim, the Claim Administrator will take into account differences among Hospitals and other facilities, the Claim Administrator’s contracts with Hospitals and other facilities, the nature of the Covered Services involved and other relevant factors. Employee coverage begins the first day of the month following the date of employment. An employee may have coverage on the first day of employment, subject to plan provisions and by paying the full monthly premiums to the Benefits Division.

MEDICARE ELIGIBLE COVERED PERSONS

If you meet the definition of an Eligible Person stated in the ELIGIBILITY Section above and you are eligible for Medicare and not affected by the “Medicare Secondary Payer” (MSP) laws as described below, the benefits described in the section of this benefit booklet entitled “Benefits for Medicare Eligible Covered Persons” will apply to you and to your spouse and covered dependent children (if he or she is also eligible for Medicare and not affected by the MSP laws).

A series of federal laws collectively referred to as the “Medicare Secondary Payer” (MSP) laws regulate the manner in which certain employers may offer group health care coverage to Medicare eligible employees, spouses, and in some cases, dependent children.

The statutory requirements and rules for MSP coverage vary depending on the basis for Medicare and employer group health plan (“GHP”) coverage, as well as certain other factors, including the size of the employers sponsoring the GHP. In general, Medicare pays secondary to the following:

1. GHPs that cover individuals with end-stage renal disease (“ESRD”) during the first 30 months of Medicare eligibility or entitlement. This is the case regardless of the number of employees employed by the employer or whether the individual has “current employment status.”
2. In the case of individuals age 65 or over, GHPs of employers that employ 20 or more employees if that individual or the individual’s spouse (of any age) has “current employment status.” If the GHP is a multi-employer or multiple employer plan, which has at least one participating employer that employs 20 or more employees, the MSP rules apply even with respect to

employers of fewer than 20 employees (unless the plan elects the small employer exception under the statute).

3. In the case of disabled individuals under age 65, GHPs of employers that employ 100 or more employees, if the individual or a member of the individual's family has "current employee status." If the GHP is a multi-employer or multiple employer plan, which has at least one participating employer that employs 100 or more employees, the MSP rules apply even with respect to employers of fewer than 100 employees.

PLEASE NOTE: SEE YOUR EMPLOYER OR GROUP ADMINISTRATOR SHOULD YOU HAVE ANY QUESTIONS REGARDING THE ESRD PRIMARY PERIOD OR OTHER PROVISIONS OF MSP LAWS AND THEIR APPLICATION TO YOU, YOUR SPOUSE OR ANY DEPENDENTS.

CHANGING FROM INDIVIDUAL TO FAMILY COVERAGE OR ADDING DEPENDENTS TO FAMILY COVERAGE

You can change from Individual to Family Coverage or add dependents to your Family Coverage because of any of the following events:

- Marriage.
- Establishment of a Domestic Partnership.
- Birth, adoption or placement for adoption of a child.
- Loss of eligibility for other health coverage for you or your dependent if:
 - a. The other coverage was in effect when you were first eligible to enroll for this coverage;
 - b. The other coverage is not terminating for cause (such as failure to pay premiums or making a fraudulent claim); and
 - c. Where required, you stated in writing that coverage under another group health plan or other health insurance coverage was the reason for declining enrollment in this coverage.

This includes, but is not limited to, loss of coverage due to:

- a. Legal separation, divorce, cessation of dependent status, death, termination of employment, or reduction in the number of hours of employment;
 - b. In the case of HMO coverage, moving out of the HMO service area;
 - c. Reaching a lifetime limit on all benefits in another group health plan;
or
 - d. Another group health plan no longer offering any benefits to the class of similarly situated individuals that includes you or your dependent.
- Termination of employer contributions towards your or your dependent's other coverage.
 - Exhaustion of COBRA continuation coverage or state continuation coverage.

When Coverage Begins

Your Family Coverage or the coverage for your additional dependents will be effective from the date of the event if you apply for this change within 31 days of any of the following events:

- Marriage.
- Establishment of a Domestic Partnership.

- Birth, adoption, or placement of adoption of a child.

Your Family Coverage or the coverage for your additional dependents will be effective from the date you apply for coverage if you apply within 31 days of any of the following events:

- Loss of eligibility for other coverage for you or your dependent, except for loss of coverage due to reaching a lifetime limit on all benefits.
- Termination of employer contributions towards your or your dependent's other coverage.
- Exhaustion of COBRA continuation coverage or state continuation coverage.

If coverage is lost in another group health plan because a lifetime limit on all benefits is reached under that coverage and you apply for Family Coverage or to add dependents within 31 days after a claim is denied due to reaching the lifetime limit, your Family Coverage or the coverage for your additional dependents will be effective from the date your claim was denied.

Late Applicants

If you do not apply for Family Coverage or to add dependents within 31 days of the event, you will have to wait until your Employer's annual open enrollment period to make those changes. Your dependents will then be subject to the Preexisting Condition waiting period as described in the Preexisting Condition Waiting Period provision of this benefit section. Such changes will be effective on a date that has been mutually agreed to by your Employer and the Claim Administrator.

CHANGING FROM FAMILY TO INDIVIDUAL COVERAGE

Should you wish to change from Family to Individual Coverage, you may do this at any time. Your Group Administrator will provide you with the application and tell you the date that the change will be effective.

PREEXISTING CONDITION WAITING PERIOD

Your benefits (other than for Maternity Services) are subject to a Preexisting Condition waiting period of 365 days. The Preexisting Condition waiting period will begin on the Enrollment Date for you and your eligible dependents (if Family Coverage is effective) and will continue for the number of days specified. This Preexisting Condition waiting period will also apply to each dependent (other than a newborn child, an adopted child under age 18, or a child under age 18 placed for adoption if the child is enrolled within 31 days of birth, adoption, placement of adoption) for whom coverage is applied for after your Coverage Date. The Preexisting Condition waiting period for such a dependent will begin on the dependent's Enrollment Date.

If you had health coverage prior to getting this coverage without a break in coverage of 63 days or more, your Preexisting Condition waiting period is reduced by the length of time you had Creditable Coverage. You have the right to request a Certificate of Creditable Coverage from any previous health plan or insurer. The

Claim Administrator will assist you in obtaining the Certificate of Creditable Coverage, if needed.

TERMINATION OF COVERAGE

You will no longer be entitled to the benefits described in this benefit booklet if either of the events stated below should occur.

1. If you no longer meet the previously stated description of an Eligible Person.
2. If the entire coverage of your Employer terminates.

Further, termination of the agreement between the Claim Administrator and the Employer automatically terminates your coverage as described in this benefit booklet. It is the responsibility of the Employer to notify you in the event the agreement is terminated with the Claim Administrator. Regardless of whether such notice is provided, your coverage will terminate as of the effective date of termination of the Employer's agreement with the Claim Administrator.

No benefits are available to you for services or supplies rendered after the date of termination of your coverage under the Health Care Plan described in this benefit booklet except as otherwise specifically stated in the "Extension of Benefits in Case of Termination" provisions of this benefit booklet. However, termination of the Employer agreement with the Claim Administrator and/or termination of your coverage under the Health Care Plan shall not affect any Claim for Covered Services rendered prior to the effective date of such termination.

Unless specifically mentioned elsewhere in this benefit booklet, if one of your dependents becomes ineligible, his or her coverage will end as of the date the event occurs which makes him or her ineligible (for example, date of marriage, date of divorce, date the limiting age is reached).

Other options available for Continuation of Coverage are explained in the COBRA Section of this benefit booklet.

Upon termination of your coverage under the Health Care Plan, you will be issued a Certificate of Creditable Coverage. You may request a Certificate of Creditable Coverage within 24 months of termination of your or your dependent's coverage under the Health Care Plan.

CONVERSION PRIVILEGE

If your coverage under the Health Care Plan should terminate and you want to continue coverage with no interruption, you may do so if you have been covered under the Health Care Plan for at least 3 months and the agreement between your Employer and the Claim Administrator has not been terminated and your Employer has not replaced this coverage with other coverage. Here is what to do:

1. Tell the Claim Administrator or your Employee Benefits Department that you wish to continue your coverage and you will be provided with the necessary application.
2. Send the application and first premium to the Claim Administrator no later than 31 days after the date your coverage under the Health Care Plan termi-

nates or within 15 days after you have been given written notice of the conversion privilege, but in no event later than 60 days after the date your coverage under the Health Care Plan terminates.

Having done so, you will then be covered by the Claim Administrator on an individual “direct pay” basis. This coverage will be effective from the date your Employer coverage terminates so long as the premiums charged for the direct pay coverage are paid when due.

These direct pay benefits (and the premium charged for them) may not be exactly the same as the benefits described in this benefit booklet. However, by converting your coverage, your health care benefits are not interrupted and you will not have to repeat waiting periods (if any).

Should any or all of your dependents become ineligible for coverage described in this benefit booklet, they may convert to direct pay coverage by following the instructions stated above.

Length of stay/service review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan as well as the Preexisting Condition waiting period, if any.

Upon completion of the preadmission or emergency review, the Claim Administrator will send a letter to your Physician and/or the Hospital confirming that you or your representative called the Claim Administrator and that an approved length of service or length of stay was assigned.

An extension of the length of stay/service will be based solely on whether continued Inpatient care or other health care service is Medically Necessary. In the event that the extension is determined not to be Medically Necessary, the authorization will not be extended. Additional notification will be provided to your Physician and/or the Hospital regarding the denial of payment for the extension.

MEDICALLY NECESSARY DETERMINATION

The decision that Inpatient care or other health care services or supplies are not Medically Necessary will be determined by the Claim Administrator. The Claim Administrator will provide notification of a decision to not authorize payment for Inpatient care or other health care services or supplies to you, your Physician, and/or the Hospital or other Provider. The notification will specify the dates, services and/or supplies that are not considered Covered Services. For further details regarding Medically Necessary care and other exclusions from coverage, see the EXCLUSIONS - WHAT IS NOT COVERED section in this benefit booklet.

The Claim Administrator does not determine your course of treatment or whether you receive particular health care services. Decisions regarding the course of treatment and receipt of particular health care services are a matter entirely between you and your Physician. The Claim Administrator's determination of Medically Necessary care is limited to merely whether a proposed admission, continued hospitalization or other health care service is a Covered Service under the Health Care Plan.

In the event that the Claim Administrator determines that all or any portion of an Inpatient hospitalization or other health care service is not Medically Necessary, the Claim Administrator will not be responsible for any related Hospital or other health care service charge incurred.

Remember that the Claim Administrator's Health Care Plan does not cover the cost of hospitalization or any health care services and supplies that are not determined to be Medically Necessary. The fact that your Physician or another health care Provider may prescribe, order, recommend or approve a Hospital stay or other health care service or supply does not of itself make such hospitalization, service or supply Medically Necessary. Even if your Physician prescribes, orders, recommends, approves, or views hospitalization or other health care services or supplies as medically necessary, the Claim Administrator will not pay for the hospitalization, services or supplies unless the Claim Administrator determines it to be Medically Necessary and a Covered Service under the Health Care Plan.

NOTE: Keep in mind that a Medically Necessary determination does not guarantee that benefits are available. For example, it might be determined that a service is Medically Necessary, however, the Health Care Plan may limit or exclude that service. In that case, the Medically Necessary determination does not override the benefit provision in the benefit booklet.

UTILIZATION REVIEW PROCEDURE

The following information is required when you contact the Claim Administrator:

1. The name of the attending and/or admitting Physician;
2. The name of the Hospital where the admission has been scheduled and/or the location where the service has been scheduled;
3. The scheduled admission and/or service date; and

4. A preliminary diagnosis or reason for the admission and/or service.

Upon receipt of the required information, the Claim Administrator:

1. will review the information provided and seek additional information as necessary.
2. will issue a determination that the services are either Medically Necessary or are not Medically Necessary.
3. will provide notification of the determination.

APPEAL PROCEDURE

If you or your Physician disagree with the determination of the Claim Administrator prior to or while receiving services, you may appeal that decision. You should call the Claim Administrator's customer service number on your identification card. Your Physician should use the contact information in the notification letter.

In some instances, the resolution of the appeal process will not be completed until your admission or service has occurred and/or your assigned length of stay/service has elapsed. If you disagree with a decision after claim processing has taken place or upon receipt of the notification letter, you may appeal that decision by having your Physician call the contact person indicated in the notification letter or by submitting a written request to:

Medical Director
Health Care Service Corporation
P. O. Box A3957
Chicago, Illinois 60601

Once you have requested this review, you may submit additional information and comments on your Claim to the Claim Administrator as long as you do so within 30 days of the date you asked for a review. Also, during this 30 day period, you may review any relevant documents held by the Claim Administrator, if you request an appointment in writing.

Within 30 days of receiving your request for review, the Claim Administrator will send you its decision on the Claim. In unusual situations, an additional 15 days may be needed for the review and you will be notified of this during the first 30 day period.

FAILURE TO NOTIFY

The final decision regarding your course of treatment is solely your responsibility and the Claim Administrator will not interfere with your relationship with any Provider. However, the Claim Administrator has established the Utilization Review Program for the specific purpose of assisting you in determining the course of treatment which will maximize your benefits provided under this benefit booklet.

Should you fail to notify the Claim Administrator as required in the Preadmission Review provision of this section, you will then be responsible for the first \$500 of the Hospital or facility charges for an eligible stay or \$500 of the

charges for eligible Covered Services for Private Duty Nursing in addition to any deductibles, Copayments and/or Coinsurance applicable to this benefit booklet. This amount shall not be eligible for later consideration as an unreimbursed expense under any Benefit Section of this benefit booklet nor can it be applied to your out-of-pocket expense limit, if applicable, as described in this benefit booklet.

MEDICARE ELIGIBLE MEMBERS

The preadmission review provisions of this Utilization Review Program do not apply to you if you are Medicare eligible and have secondary coverage provided under the Health Care Plan.

The Mental Health Unit is staffed primarily by Physicians, Psychologists, Clinical Social Workers and registered nurses.

Failure to contact the Mental Health Unit or to comply with the determinations of the Mental Health Unit will result in a reduction of benefits. PREADMISSION REVIEW

- **Inpatient Hospital Preadmission Review**

Preadmission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan as well as the Preexisting Condition waiting period, if any.

Whenever a nonemergency Inpatient Hospital admission for the treatment of Mental Illness or Substance Abuse is recommended by your Physician, you must, in order to receive maximum benefits described in this benefit booklet, call the Mental Health Unit. This call must be made at least one day prior to the Hospital admission.

If the proposed Hospital admission does not meet the criteria for Medically Necessary care, it will be referred to a Physician in the Mental Health Unit. If the Mental Health Unit Physician concurs that the proposed admission does not meet the criteria for Medically Necessary care, some days or the entire hospitalization will be denied. Your Physician and the Hospital will be advised by telephone of this determination, with a follow-up notification letter sent to you, your Physician and the Hospital. The Mental Health Unit will issue these notification letters promptly. However, in some instances, these letters will not be received prior to your scheduled date of admission.

- **Emergency Mental Illness Admission Review**

Emergency Mental Illness Admission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan as well as the Preexisting Condition waiting period, if any.

In the event of an Emergency Mental Illness Admission, you or someone who calls on your behalf must, in order to receive maximum benefits under this benefit booklet, notify the Mental Health Unit no later than 48 hours or as soon as reasonably possible after the admission has occurred. If the

call is made any later than the specified time period, you will not be eligible for maximum benefits.

- **Partial Hospitalization Treatment Program Review**

Partial Hospitalization Treatment Program review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan as well as the Preexisting Condition waiting period, if any.

Whenever an admission to a Partial Hospitalization Treatment Program is recommended by your Physician, you must, in order to receive maximum benefits described in this benefit booklet, call the Mental Health Unit. This call must be made at least one day prior to the admission.

- **Length of Stay Review**

Length of stay review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan as well as the Preexisting Condition waiting period, if any.

Upon completion of the preadmission or emergency admission review, the Mental Health Unit will send you a letter confirming that you or your representative called the Mental Health Unit. A letter assigning a length of service or length of stay will be sent to your Physician and/or the Hospital.

An extension of the length of stay/service will be based solely on whether continued Inpatient care or other health care service is Medically Necessary as determined by the Mental Health Unit. In the event that the extension is determined not to be Medically Necessary, the length of stay/service will not be extended, and the case will be referred to a Mental Health Unit Physician for review.

MEDICALLY NECESSARY DETERMINATION

The decision that Inpatient care or other health care services or supplies are not Medically Necessary will be determined by the Mental Health Unit. If the Mental Health Unit Physician concur that the Inpatient care or other health care services or supplies are not Medically Necessary, written notification of the decision will be provided to you, your Physician, and/or the Hospital or other Provider, and will specify the dates that are not considered Covered Services. For further details regarding Medically Necessary care and other exclusions described in this benefit booklet, see the section entitled, "EXCLUSIONS - WHAT IS NOT COVERED."

The Mental Health Unit does not determine your course of treatment or whether you receive particular health care services. The decision regarding the course of treatment and receipt of particular health care services is a matter entirely between you and your Physician. The Mental Health Unit's determination of Medically Necessary care is limited to merely whether a proposed admission, continued hospitalization or other health care service is Medically Necessary under the Health Care Plan.

In the event that the Mental Health Unit determines that all or any portion of an Inpatient hospitalization or other health care service is not Medically Necessary, the Claim Administrator will not be responsible for any related Hospital or other health care service charge incurred.

Remember that your Health Care Plan does not cover the cost of hospitalization or any health care services and supplies that are not Medically Necessary. The fact that your Physician or another health care Provider may prescribe, order, recommend or approve a Hospital stay or other health care service or supply does not of itself make such hospitalization, service or supply Medically Necessary. Even if your Physician prescribes, orders, recommends, approves, or views hospitalization or other health care services or supplies as Medically Necessary, the Claim Administrator will not pay for the hospitalization, services or supplies if the Mental Health Unit Physician decides they were not Medically Necessary.

MENTAL HEALTH UNIT PROCEDURE

APPEAL PROCEDURE

Expedited Appeal

If you or your Physician disagree with the determinations of the Mental Health Unit prior to or while receiving services, you or the Provider may appeal that determination by contacting the Mental Health Unit and requesting an expedited appeal. The Mental Health Unit Physician will review your case and determine whether the service was Medically Necessary. You and/or your Provider will be notified of the Mental Health Unit Physician's determination within twenty-four (24) hours or no later than the last authorized day. If you or your Provider still disagree with the Mental Health Unit Physician, you may request an appeal in writing as outlined below.

Written Appeal

In some instances, the resolution of the appeal process will not be completed until your admission or service has occurred and/or your assigned length of stay/ service has elapsed. If you disagree with a decision after claim processing has taken place or upon receipt of the notification letter from the Mental Health Unit, you may appeal that decision by having your Physician call the contact person indicated in the notification letter or by submitting a written request to:

Appeals Coordinator
Blue Cross and Blue Shield Mental Health Unit
P. O. Box 805107
Chicago, Illinois 60680-4112

You must exercise the right to this appeal as a precondition to taking any action against the Claim Administrator, either at law or in equity.

Once you have requested this review, you may submit additional information and comments on your Claim to the Claim Administrator as long as you do so within 30 days of the date you asked for a review. Also, during this 30 day period, you may review any pertinent documents held by the Claim Administrator, if you request an appointment in writing.

Within 30 days of receiving your request for review, the Claim Administrator will send you its decision on the Claim. In unusual situations, an additional 15 days may be needed for the review and you will be notified of this during the first 30 day period.

FAILURE TO NOTIFY

The final decision regarding your course of treatment is solely your responsibility and the Mental Health Unit will not interfere with your relationship with any Provider. However, the Mental Health Unit has been established for the specific purpose of assisting you in maximizing your benefits as described in this benefit booklet.

Should you fail to notify the Mental Health Unit as required in the Preadmission Review provision of this section, you will then be responsible for the first \$500 of the Hospital charges for an eligible Hospital stay in addition to any deductibles, Copayments and/or Coinsurance applicable to this benefit booklet. This amount shall not be eligible for later consideration as an unreimbursed expense under any Benefit Section of this benefit booklet nor can it be applied to your out-of-pocket expense limit, if applicable to this benefit booklet.

INDIVIDUAL BENEFITS MANAGEMENT PROGRAM (“IBMP”)

In addition to the benefits described in this benefit booklet, if your condition would otherwise require continued care in a Hospital or other health care facility, provision of alternative benefits for services rendered by a Participating Provider in accordance with an alternative treatment plan may be available to you.

Alternative benefits will be provided only so long as the Claim Administrator determines that the alternative services are Medically Necessary and cost effective. The total maximum payment for alternative services shall not exceed the total benefits for which you would otherwise be entitled under the Health Care Plan.

Provision of alternative benefits in one instance shall not result in an obligation to provide the same or similar benefits in any other instance. In addition, the provision of alternative benefits shall not be construed as a waiver of any of the terms, conditions, limitations or exclusions of the Health Care Plan.

MEDICARE ELIGIBLE MEMBERS

The provisions of the CLAIM ADMINISTRATOR'S MENTAL HEALTH UNIT section do not apply to you if you are Medicare Eligible and have secondary coverage provided under the Health Care Plan.

THE PARTICIPATING PROVIDER OPTION

Your Employer has chosen the Claim Administrator's "Participating Provider Option" for the administration of your Hospital and Physician benefits. The Participating Provider Option is a program of health care benefits designed to provide you with economic incentives for using designated Providers of health care services.

As a participant in the Participating Provider Option a directory of Participating Providers is available to you. You can visit the Blue Cross and Blue Shield of Illinois Web site at www.bcbsil.com for a list of Participating Providers. While there may be changes in the directory from time to time, selection of Participating Providers by the Claim Administrator will continue to be based upon the range of services, geographic location and cost-effectiveness of care. Notice of changes in the network will be provided to your Employer annually, or as required, to allow you to make selection within the network. However, you are urged to check with your Provider before undergoing treatment to make certain of its participation status. Although you can go to the Hospital or Professional Provider of your choice, benefits under the Participating Provider Option will be greater when you use the services of a Participating Provider.

Before reading the description of your benefits, you should understand the terms "Benefit Period" and "Deductible" as defined below.

YOUR BENEFIT PERIOD

Your benefit period is a period of one year which begins on January 1st of each year. When you first enroll under this coverage, your first benefit period begins on your Coverage Date, and ends on the first December 31st following that date.

YOUR DEDUCTIBLE

Each benefit period you must satisfy the amount specified in the Benefit Highlights for your Plan. In other words, after you have claims for more than the amount specified for your Plan for Covered Services in a benefit period, your benefits will begin. This deductible will be referred to as the program deductible.

If you have any expenses for Covered Services during the last three months of a benefit period which were or could have been applied to that benefit period's program deductible, these expenses may be applied toward the program deductible of the next benefit period.

FAMILY DEDUCTIBLE

If you have Family Coverage and your family has reached the program deductible amount specified in the Benefit Highlights for your Plan, it will not be necessary for anyone else in your family to meet a program deductible in that benefit period. That is, for the remainder of that benefit period, no other family members are required to meet a program deductible before receiving benefits. A family member may not apply more than the individual program deductible amount toward the family program deductible.

The deductible amount may be adjusted based on the cost-of-living adjustment determined under the Internal Revenue Code and rounded to the nearest \$50.

HOSPITAL BENEFIT SECTION

Expenses for Hospital care are usually the biggest of all health care costs. Your Hospital benefits will help ease the financial burden of these expensive services. This section of your benefit booklet tells you what Hospital services are covered and how much will be paid for each of these services.

In addition, the benefits described in this section will be provided only when you receive services on or after your Coverage Date and they are rendered upon the direction or under the direct care of your Physician. Such services must be Medically Necessary and regularly included in the Provider's charges.

BENEFIT PAYMENT FOR PHYSICIAN SERVICES

The benefits provided by the Claim Administrator and the expenses that are your responsibility for your Covered Services will depend on whether you receive services from a Participating or Non-Participating Professional Provider.

Participating Provider

When you receive any of the Covered Services described in this Physician Benefit Section from a Participating Provider or from a Dentist, benefits will be provided at 80% of the Maximum Allowance after you have met your program deductible, unless otherwise specified in this benefit booklet. made under this benefit booklet and may bill you for the difference between the Claim Administrator's benefit payment and the Provider's charge to you.

PAYMENT PROVISIONS

Lifetime Maximum

The total dollar amount that will be available in benefits for you is unlimited subject to the separate dollar maximums for specific Covered Services described earlier in this benefit booklet.

Cumulative Benefit Maximums

All benefits payable under this benefit booklet are cumulative. Therefore, in calculating the benefit maximums payable for a particular Covered Service or in calculating the remaining balance under the Lifetime Maximums, the Claim Administrator will include benefit payments under both this and/or any prior or subsequent Claim Administrator's benefit booklet issued to you as an Eligible Person or a dependent of an Eligible Person under this plan.

OUT-OF-POCKET EXPENSE LIMIT

There are separate Out-of-Pocket Expense Limits applicable to Covered Services received from Participating Providers and Non-Participating Providers.

For Participating Providers

If you have Individual Coverage and your out-of-pocket expense (the amount remaining unpaid for Covered Services after benefits have been provided) equals

the amount specified in the Benefit Highlights for your Plan, any additional eligible Claims for Participating Providers (except for those charges specifically excluded below) during that benefit period will be paid at 100% of the Eligible Charge or Maximum Allowance.

This out-of-pocket expense limit may be reached by:

- the Participating Provider program deductible
- the payments for Covered Services for which you are responsible after benefits have been provided (except for any expenses incurred for Covered Services rendered by a Non-Participating or Non-Administrator Provider other than Emergency Accident Care, Emergency Medical Care and Inpatient treatment during the period of time when your condition is serious)

The following expenses for Covered Services cannot be applied to the out-of-pocket expense limit and will not be paid at 100% of the Eligible Charge or Maximum Allowance when your out-of-pocket expense limit is reached:

- charges that exceed the Eligible Charge or Maximum Allowance
- the Coinsurance resulting from Covered Services rendered by a Non-Participating Provider or Non-Administrator Provider
- Copayments resulting from noncompliance with the provisions of the Utilization Review Program and/or the Claim Administrator's Mental Health Unit

If you have Family Coverage and your family's out-of-pocket expense (the amount remaining unpaid for Covered Services after benefits have been provided) equals the amount specified in the Benefit Highlights for you Plan, then, for the rest of the benefit period, all other family members will have benefits for eligible Covered Services (except for those charges specifically excluded above) provided at 100% of the Eligible Charge or Maximum Allowance. Benefits under Family Coverage will not be provided at the 100% payment level until the entire family out-of-pocket expense limit has been met.

For Non-Participating Providers

If you have Individual Coverage and your out-of-pocket expense (the amount remaining unpaid for Covered Services after benefits have been provided) during one benefit period equals the amount specified in the Benefit Highlights section of this benefit booklet, any additional eligible Claims for Non-Participating Providers (except for those Covered Services specifically excluded below) during that benefit period will be paid at 100% of the Eligible Charge or Maximum Allowance.

This out-of-pocket expense limit may be reached by:

- the Non-Participating Provider program deductible
- the payments for Covered Services rendered by a Non-Participating Provider for which you are responsible after benefits have been provided

The following expenses for Covered Services cannot be applied to the out-of-pocket expense limit and will not be paid at 100% of the Eligible Charge or Maximum Allowance when your out-of-pocket expense limit is reached:

- charges that exceed the Eligible Charge or Maximum Allowance
- the Coinsurance resulting from Covered Services you may receive from a Participating Provider
- the Coinsurance resulting from Hospital services rendered by a Non-Administrator Hospital or other Non-Administrator Provider facility for Covered Services
- Copayments resulting from noncompliance with the provisions of the Utilization Review Program and/or the Claim Administrator's Mental Health Unit

If you have Family Coverage and your family's out-of-pocket expense (the amount remaining unpaid for Covered Services after benefits have been provided) equals the amount specified in the Benefit Highlights section of this benefit booklet, then, for the rest of the benefit period, all other family members will have benefits for eligible Covered Services (except for those charges specifically excluded above) provided at 100% of the Eligible Charge or Maximum Allowance. Benefits under Family Coverage will not be provided at the 100% payment level until the entire family out-of-pocket expense limit has been met.

The out-of-pocket expense limit amount may be adjusted based on the cost-of-living adjustment determined under the Internal Revenue Code and rounded to the nearest \$50.

EXTENSION OF BENEFITS IN CASE OF TERMINATION

If you are an Inpatient at the time your coverage under this plan is terminated, benefits will be provided for, and limited to, the Covered Services of this plan which are rendered by and regularly charged for by a Hospital, Skilled Nursing Facility, Substance Abuse Treatment Facility, Partial Hospitalization Treatment Program or Coordinated Home Care Program. Benefits will be provided until you are discharged or until the end of your benefit period, whichever occurs first.

HOSPICE CARE PROGRAM

Your Hospital coverage also includes benefits for Hospice Care Program Service.

Benefits will be provided for the Hospice Care Program Service described below when these services are rendered to you by a Hospice Care Program Provider. However, for benefits to be available you must have a terminal illness with a life expectancy of one year or less, as certified by your attending Physician; and you will no longer benefit from standard medical care or have chosen to receive hospice care rather than standard care. Also, a family member or friend should be available to provide custodial type care between visits from Hospice Care Program Providers if hospice is being provided in the home.

The following services are covered under the Hospice Care Program:

1. Coordinated Home Care;
2. Medical supplies and dressings;
3. Medication;
4. Nursing Services - Skilled and non-Skilled;
5. Occupational Therapy;
6. Pain management services;
7. Physical Therapy;
8. Physician visits;
9. Social and spiritual services;
10. Respite Care Service.

The following services are **not** covered under the Hospice Care Program:

1. Durable medical equipment;
2. Home delivered meals;
3. Homemaker services;
4. Traditional medical services provided for the direct care of the terminal illness, disease or condition;
5. Transportation, including but not limited, to Ambulance Transportation.

Notwithstanding the above, there may be clinical situations when short episodes of traditional care would be appropriate even when the patient remains in the hospice setting. While these traditional services are not eligible under this Hospice Care Program section, they may be Covered Services under other sections of this benefit booklet.

Benefit payment for Covered Services rendered by a Hospice Care Program Provider will be provided at the same level as described for Inpatient Hospital Covered Services.

BENEFITS FOR MEDICARE ELIGIBLE COVERED PERSONS

This section describes the benefits which will be provided for Medicare Eligible Covered Persons who are not affected by MSP laws, unless otherwise specified in this benefit booklet (see provisions entitled “Medicare Eligible Covered Persons” in the ELIGIBILITY SECTION of this benefit booklet).

The benefits and provisions described throughout this benefit booklet apply to you, however, in determining the benefits to be paid for your Covered Services, consideration is given to the benefits available under Medicare.

The process used in determining benefits under the Health Care Plan is as follows:

1. determine what the payment for a Covered Service would be following the payment provisions of this coverage and
2. deduct from this resulting amount the amount paid or payable by Medicare. (If you are eligible for Medicare, the amount that is available from Medicare will be deducted whether or not you have enrolled and/or received payment from Medicare.) The difference, if any, is the amount that will be paid under the Health Care Plan.

When you have a Claim, you must send the Claim Administrator a copy of your Explanation of Medicare Benefits (“EOMB”) in order for your Claim to be processed. In the event you are eligible for Medicare but have not enrolled in Medicare, the amount that would have been available from Medicare, had you enrolled, will be used.

EXCLUSIONS—WHAT IS NOT COVERED

Expenses for the following are not covered under your benefit program:

— **Hospitalization, services and supplies which are not Medically Necessary.**

No benefits will be provided for services which are not, in the reasonable judgment of the Claim Administrator, Medically Necessary. Medically Necessary means that a specific medical, health care or Hospital service is required, in the reasonable medical judgment of the Claim Administrator, for the treatment or management of a medical symptom or condition and that the service or care provided is the most efficient and economical service which can safely be provided.

Hospitalization is not Medically Necessary when, in the reasonable medical judgment of the Claim Administrator, the medical services provided did not require an acute Hospital Inpatient (overnight) setting, but could have been provided in a Physician's office, the Outpatient department of a Hospital or some other setting without adversely affecting the patient's condition.

Examples of hospitalization and other health care services and supplies that are not Medically Necessary include:

- Hospital admissions for or consisting primarily of observation and/or evaluation that could have been provided safely and adequately in some other setting, e.g., a Physician's office or Hospital Outpatient department.
- Hospital admissions primarily for diagnostic studies (x-ray, laboratory and pathological services and machine diagnostic tests) which could have been provided safely and adequately in some other setting, e.g., Hospital Outpatient department or Physician's office.
- Continued Inpatient Hospital care, when the patient's medical symptoms and condition no longer require their continued stay in a Hospital.
- Hospitalization or admission to a Skilled Nursing Facility, nursing home or other facility for the primary purposes of providing Custodial Care Service, convalescent care, rest cures or domiciliary care to the patient.
- Hospitalization or admission to a Skilled Nursing Facility for the convenience of the patient or Physician or because care in the home is not available or is unsuitable.
- The use of skilled or private duty nurses to assist in daily living activities, routine supportive care or to provide services for the convenience of the patient and/or his family members.

These are just some examples, not an exhaustive list, of hospitalizations or other services and supplies that are not Medically Necessary.

The Claim Administrator will make the decision whether hospitalization or other health care services or supplies were not Medically Necessary and

therefore not eligible for payment under the terms of your health care plan. In most instances this decision is made by the Claim Administrator AFTER YOU HAVE BEEN HOSPITALIZED OR HAVE RECEIVED OTHER HEALTH CARE SERVICES OR SUPPLIES AND AFTER A CLAIM FOR PAYMENT HAS BEEN SUBMITTED.

The fact that your Physician may prescribe, order, recommend, approve or view hospitalization or other health care services and supplies as Medically Necessary does not make the hospitalization, services or supplies Medically Necessary and does not mean that the Claim Administrator will pay the cost of the hospitalization, services or supplies.

If your Claim for benefits is denied on the basis that the services or supplies were not Medically Necessary, and you disagree with the Claim Administrator's decision, your plan provides for an appeal of that decision. You must exercise your right to this appeal as a precondition to the taking of any further action against the Claim Administrator, either at law or in equity. To initiate your appeal, you must give the Claim Administrator written notice of your intention to do so within 180 days after you have been notified that your Claim has been denied by writing to:

REMEMBER, EVEN IF YOUR PHYSICIAN PRESCRIBES, ORDERS, RECOMMENDS, APPROVES OR VIEWS HOSPITALIZATION OR OTHER HEALTH CARE SERVICES AND SUPPLIES AS MEDICALLY NECESSARY, THE CLAIM ADMINISTRATOR WILL NOT PAY FOR THE HOSPITALIZATION, SERVICES AND SUPPLIES IF IT DECIDES THEY WERE NOT MEDICALLY NECESSARY.

COORDINATION OF BENEFITS SECTION

Coordination of Benefits (COB) applies when you have health care coverage through more than one group program. The purpose of COB is to insure that you receive all of the coverage to which you are entitled but no more than the actual cost of the care received. In other words, the total payment from all of your coverages together will not add up to be more than the total charges that you have incurred. It is your obligation to notify the Claim Administrator of the existence of such other group coverages. COB does not apply to the Outpatient Prescription Drug Program Benefit Section.

To coordinate benefits, it is necessary to determine what the payment responsibility is for each benefit program. This is done by following these rules:

1. The coverage under which the patient is the Eligible Person (rather than a dependent) is primary (that is, full benefits are paid under that program). The other coverage is secondary and only pays any remaining eligible charges.
2. When a dependent child receives services, the birthdays of the child's parents are used to determine which coverage is primary. The coverage of the parent whose birthday (month and day) comes before the other parent's birthday in the calendar year will be considered the primary coverage. If both parents have the same birthday, then the coverage that has been in effect the longest is primary. If the other coverage does not have this "birthday" type of COB provision and, as a result, both coverages would be considered either primary or secondary, then the provisions of the other coverage will determine which coverage is primary.

— However, when the parents are separated or divorced and the parent with custody of the child has not remarried, the benefits of a contract which covers the child as a dependent of the parent with custody of the child will be determined before the benefits of a contract which covers the child as a dependent of the parent without custody;

— when the parents are divorced and the parent with custody of the child has remarried, the benefits of a contract which covers the child as a dependent of the parent with custody shall be determined before the benefits of a contract which covers that child as a dependent of the stepparent, and the benefits of a contract which covers that child as a dependent of the stepparent will be determined before the benefits of a contract which covers that child as a dependent of the parent without custody.

Notwithstanding the items above, if there is a court decree which would otherwise establish financial responsibility for the medical, dental, or other health care expenses with respect to the child, the benefits of a contract which covers the child as a dependent of the parent with such financial responsibility shall be determined before the benefits of any other contract which covers the child as a dependent child. It is the obligation of the person claiming benefits to notify the Claim

Administrator, and upon its request to provide a copy, of such court decree.

3. If neither of the above rules apply, then the coverage that has been in effect the longest is primary.

The only time these rules will not apply is if the other group benefit program does not include a COB provision. In that case, the other group program is automatically primary.

The Claim Administrator has the right in administering these COB provisions to:

- pay any other organization an amount which it determines to be warranted if payments which should have been made by the Claim Administrator have been made by such other organization under any other group program.
- recover any overpayment which the Claim Administrator may have made to you, any Provider, insurance company, person or other organization.

CONTINUATION OF COVERAGE AFTER TERMINATION (COBRA)

NOTE: Certain employers may not be affected by CONTINUATION OF COVERAGE AFTER TERMINATION (COBRA). See your employer or Group Administrator should you have any questions about COBRA.

Introduction

You are receiving this notice because you have recently become covered under your employer's group health plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.**

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage.

For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

What Is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;

- Your spouse’s employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes enrolled in Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happen:

- The parent-employee dies;
- The parent-employee’s hours of employment are reduced;
- The parent-employee’s employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes enrolled in Medicare benefits (under Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a “dependent child.”

If the Plan provides health care coverage to retired employees, the following applies: Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to your employer, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee’s spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When Is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, in the event of retired employee health coverage, commencement of a proceeding in bankruptcy with respect to the employer, or the employee’s becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child’s losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. Contact your employer and/or COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

How Is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to 36 months.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

Disability Extension Of 18-Month Period Of Continuation Coverage

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. Contact your employer and/or the COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

Second Qualifying Event Extension Of 18-Month Period Of Continuation Coverage

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated or if the dependent child stops being eligible under

the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

If You Have Questions

Questions concerning your Plan or your COBRA continuation coverage rights, should be addressed to your Plan Administrator. For more information about your rights under ERISA, including COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, contact the nearest Regional or District Office of the U. S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit the EBSA website at www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.)

Keep Your Plan Informed Of Address Changes

In order to protect your family's rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

Plan Contact Information

Contact your employer for the name, address and telephone number of the party responsible for administering your COBRA continuation coverage.

HOW TO FILE A CLAIM

In order to obtain your benefits under this Health Care Plan, it is necessary for a Claim to be filed with the Claim Administrator. To file a Claim, usually all you will have to do is show your ID card to your Hospital or Physician (or other Provider). They will file your Claim for you. Remember however, it is your responsibility to insure that the necessary Claim information has been provided to the Claim Administrator.

Once the Claim Administrator receives your Claim, it will be processed and the benefit payment will usually be sent directly to the Hospital or Physician. You will receive a statement telling you how much was paid. In some cases the Claim Administrator will send the payment directly to you or if applicable, in the case of a Qualified Medical Child Support Order, to the designated representative as it appears on the Claim Administrator's records.

In certain situations, you will have to file your own Claims. This is primarily true when you are receiving services or supplies from Providers other than a Hospital or Physician. An example would be when you have had ambulance expenses. To file your own Claim, follow these instructions:

1. Complete a Claim Form. These are available from your Employee Benefits Department or from the Claim Administrator's office.
2. Attach copies of all bills to be considered for benefits. These bills must include the Provider's name and address, the patient's name, the diagnosis, the date of service and a description of the service and the Claim Charge.
3. Mail the completed Claim Form with attachments to:

Blue Cross and Blue Shield of Illinois
P. O. Box 805107
Chicago, Illinois 60680-4112

In any case, Claims should be filed with the Claim Administrator within 6 months from the date your Covered Service was received. **Claims not filed within the required time period will not be eligible for payment.**

Should you have any questions about filing Claims, ask your Employee Benefits Department or call the Claim Administrator's office.

FILING OUTPATIENT PRESCRIPTION DRUG CLAIMS

In certain situations, you will have to file your own Claims in order to obtain benefits for Outpatient prescription drugs. This is primarily true when you did not receive an identification card, the Pharmacy was unable to transmit a Claim or you received benefits from a non-Participating Prescription Drug Provider. To do so, follow these instructions:

1. Complete a prescription drug Claim Form. These forms are available from your Employee Benefits Department or from your the Claim Administrator's office.
2. Attach copies of all Pharmacy receipts to be considered for benefits. These receipts must be itemized.

3. Mail the completed Claim Form with attachments to:

Blue Cross and Blue Shield of Illinois
P.O. Box 64812
St. Paul, Minnesota 55164-0812

In any case, Claims must be filed no later than one year after the date a service is received. Claims not filed within one year from the date a service is received will not be eligible for payment.

CLAIMS PROCEDURES

The Claim Administrator will pay all Claims within 30 days of receipt of all information required to process a Claim. In the event that the Claim Administrator does not process a Claim within this 30-day period, you or the valid assignee shall be entitled to interest at the rate of 9% per year, from the 30th day after the receipt of all Claim information until the date payment is actually made. However, interest payment will not be made if the amount is \$1.00 or less. The Claim Administrator will notify you or the valid assignee when all information required to pay a Claim within 30 days of the Claim's receipt has not been received. (For information regarding assigning benefits, see "Payment of Claims and Assignment of Benefits" provisions in the GENERAL PROVISIONS section of this benefit booklet.)

If the Claim is denied in whole or in part, you will receive a notice from the Claim Administrator with: (1) the reasons for denial; (2) a reference to the health care plan provisions on which the denial is based; (3) a description of additional information which may be necessary to perfect the appeal, and (4) an explanation of how you may have the Claim reviewed by the Claim Administrator if you do not agree with the denial.

CLAIM REVIEW PROCEDURES

If your Claim has been denied in whole or in part, you may have your Claim reviewed. The Claim Administrator will review its decision in accordance with the following procedure.

Within 180 days after you receive notice of a denial or partial denial, write to the Claim Administrator. The Claim Administrator will need to know the reasons why you do not agree with the denial or partial denial. Send your request to:

Claim Review Section
Health Care Service Corporation
P.O. Box 2401
Chicago, Illinois 60690

You may also designate a representative to act for you in the review procedure. Your designation of a representative must be in writing as it is necessary to protect against disclosure of information about you except to your authorized representative.

While the Claim Administrator will honor telephone requests for information, such inquiries will not constitute a request for review.

You and your authorized representative may ask to see relevant documents and may submit written issues, comments and additional medical information within 180 days after you receive notice of a denial or partial denial. The Claim Administrator will give you a written decision within 60 days after it receives your request for review.

If you have any questions about the Claims procedures or the review procedure, write or call the Claim Administrator Headquarters. The Claim Administrator offices are open from 8:45 A.M. to 4:45 P.M., Monday through Friday.

Blue Cross and Blue Shield of Illinois
300 East Randolph
Chicago, IL 60601

If you have a Claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

GENERAL PROVISIONS

1. CLAIM ADMINISTRATOR'S SEPARATE FINANCIAL ARRANGEMENTS WITH PROVIDERS

The Claim Administrator hereby informs you that it has contracts with certain Providers ("Administrator Providers") in its service area to provide and pay for health care services to all persons entitled to health care benefits under health policies and contracts to which the Claim Administrator is a party, including all persons covered under the Health Care Plan. Under certain circumstances described in its contracts with Administrator Providers, the Claim Administrator may:

- receive substantial payments from Administrator Providers with respect to services rendered to you for which the Claim Administrator was obligated to pay the Administrator Provider, or
- pay Administrator Providers substantially less than their Claim Charges for services, by discount or otherwise, or
- receive from Administrator Providers other substantial allowances under the Claim Administrator's contracts with them.

In the case of Hospitals and other facilities, the calculation of any out-of-pocket maximums or any maximum amounts of benefits payable by the Claim Administrator as described in this benefit booklet and the calculation of all required deductible and Coinsurance amounts payable by you as described in this benefit booklet shall be based on the Eligible Charge or Provider's Claim Charge for Covered Services rendered to you, reduced by the Average Discount Percentage ("ADP") applicable to your Claim or Claims. Your Employer has been advised that the Claim Administrator may receive such payments, discounts and/or other allowances during the term of the agreement between your Employer and the Claim Administrator. Neither the Employer nor you are entitled to receive any portion of any such payments, discounts and/or other allowances in excess of the ADP.

To help you understand how the Claim Administrator's separate financial arrangements with Providers work, please consider the following example:

- a. Assume you go into the Hospital for one night and the normal, full amount the Hospital bills for Covered Services is \$1,000. How is the \$1,000 bill paid?
- b. You personally will have to pay the deductible and Coinsurance amounts set out in your benefit booklet.
- c. However, for purposes of calculating your deductible and Coinsurance amounts, and whether you have reached any out-of-pocket or benefit maximums, the Hospital's Eligible Charge would be reduced by the ADP applicable to your Claim. In our example, if the applicable ADP were 30%, the \$1,000 Hospital bill would be reduced by 30% to \$700 for purposes of calculating your deductible and Coinsurance amounts, and whether you have reached any out-of-pocket or benefit maximums.

- d. Assuming you have already satisfied your deductible, you will still have to pay the Coinsurance portion of the \$1,000 Hospital bill after it has been reduced by the ADP. In our example, if your Coinsurance obligation is 20%, you personally will have to pay 20% of \$700, or \$140. You should note that your 20% Coinsurance is based on the full \$1,000 Hospital bill, after it is reduced by the applicable ADP.
- e. After taking into account the deductible and Coinsurance amounts, the Claim Administrator will satisfy its portion of the Hospital bill. In most cases, the Claim Administrator has a contract with Hospitals that allows it to pay less, and requires the Hospital to accept less, than the amount of money the Claim Administrator would be required to pay if it did not have a contract with the Hospital.

So, in the example we are using, since the full Hospital bill is \$1,000, your deductible has already been satisfied, and your Coinsurance is \$140, then the Claim Administrator has to satisfy the rest of the Hospital bill, or \$860. Assuming the Claim Administrator has a contract with the Hospital, the Claim Administrator will usually be able to satisfy the \$860 bill that remains after your Coinsurance and deductible, by paying less than \$860 to the Hospital, often substantially less than \$860. The Claim Administrator receives, and keeps for its own account, the difference between the \$860 bill and whatever the Claim Administrator ultimately pays under its contracts with Administrator Providers, and neither you nor your Employer are entitled to any part of these savings.

Other Blue Cross and Blue Shields' Separate Financial Arrangements with Providers

Blue Card

The Claim Administrator hereby informs you that other Blue Cross and Blue Shield Plans outside of Illinois ("Host Blue") may have contracts similar to the contracts described above with certain Providers ("Host Blue Providers") in their service area.

When you receive health care services through BlueCard outside of Illinois and from a Provider which does not have a contract with the Claim Administrator, the amount you pay for Covered Services is calculated on the lower of:

- The billed charges for your Covered Services, or
- The negotiated price that the Host Blue passes on to the Claim Administrator.

To help you understand how this calculation would work, please consider the following example:

- a. Suppose you receive covered medical services for an illness while you are on vacation outside of Illinois. You show your identification card to the provider to let him or her know that you are covered by the Claim Administrator.

- b. The provider has negotiated with the Host Blue a price of \$80, even though the provider's standard charge for this service is \$100. In this example, the provider bills the Host Blue \$100.
- c. The Host Blue, in turn, forwards the claim to the Claim Administrator and indicates that the negotiated price for the covered service is \$80. The Claim Administrator would then base the amount you must pay for the service - the amount applied to your deductible, if any, and your coinsurance percentage - on the \$80 negotiated price, not the \$100 billed charge.
- d. So, for example, if your coinsurance is 20%, you would pay \$16 (20% of \$80), not \$20 (20% of \$100). You are not responsible for amounts over the negotiated price for a covered service.

PLEASE NOTE: The coinsurance percentage in the above example is for illustration purposes only. The example assumes that you have met your deductible and that there are no copayments associated with the service rendered. Your deductible(s), Coinsurance and Copayment(s) are specified in this benefit booklet.

Often, this "negotiated price" will consist of a simple discount which reflects the actual price paid by the Host Blue. Sometimes, however, it is an estimated price that factors into the actual price increases or reductions to reflect aggregate payment from expected settlements, withholds, any other contingent payment arrangements and non-claims transactions with your health care provider or with a specified group of providers. The negotiated price may also be billed charges reduced to reflect an average expected savings with your health care provider or with a specified group of providers. The price that reflects average savings may result in greater variation (more or less) from the actual price paid than will the estimated price. The negotiated price will also be adjusted in the future to correct for over- or underestimation of past prices. However, the amount you pay is considered a final price.

Statutes in a small number of states may require the Host Blue to use a basis for calculating your liability for Covered Services that does not reflect the entire savings realized, or expected to be realized, on a particular claim or to add a surcharge. Should any state statutes mandate your liability calculation methods that differ from the usual BlueCard method noted above or require a surcharge, the Claim Administrator would then calculate your liability for any covered health care services in accordance with the applicable state statute in effect at the time you received your care.

Servicing Plans

In some instances, the Claim Administrator has entered into agreements with other Blue Cross and Blue Shield Plans ("Servicing Plans") to provide, on the Claim Administrator's behalf, Claim Payments and certain administrative services for you. Under these agreements, the Claim Administrator will reimburse each Servicing Plan for all Claim Payments made on the Claim Administrator's behalf for you.

Certain Servicing Plans may have contracts similar to the contracts described above with certain Providers (“Servicing Plan Providers”) in their service area. The Servicing Plan will process your claim in accordance with the Servicing Plan’s applicable contract with the Servicing Plan Provider. Further, all amounts payable to the Servicing Plan by the Claim Administrator for Claim Payments made by the Servicing Plan and applicable service charges, and all benefit maximum amounts and any required deductible and Coinsurance amounts under this Health Care Plan will be calculated on the basis of the Servicing Plan Provider’s Eligible Charge for Covered Services rendered to you or the cost agreed upon between the Servicing Plan and the Claim Administrator for Covered Services that the Servicing Plan passes to the Claim Administrator, whichever is lower.

Often, the agreed upon cost is a simple discount. Sometimes, however, the agreed upon cost may represent either an estimated discount or an average discount received or expected by the Servicing Plan based on separate financial arrangements with Servicing Plan Providers.

In other instances, laws in a small number of states dictate the basis upon which the Coinsurance is calculated. When Covered Services are rendered in those states, the Coinsurance amount will be calculated using the state’s statutory method.

Claim Administrator’s Separate Financial Arrangements with Prescription Drug Providers

The Claim Administrator hereby informs you that it has contracts, either directly or indirectly, with Prescription Drug Providers (“Participating Prescription Drug Providers”) to provide prescription drug services to all persons entitled to prescription drug benefits under health policies and contracts to which the Claim Administrator is a party, including all persons covered under this Health Care Plan. Under its contracts with Participating Prescription Drug Providers, the Claim Administrator may receive from these Providers discounts for prescription drugs dispensed to you. Neither the Employer nor you are entitled to receive any portion of any such payments, discounts and/or other allowances.

Claim Administrator’s Separate Financial Arrangements with Pharmacy Benefit Managers

The Claim Administrator owns a significant portion of the equity of Prime Therapeutics LLC and informs you that the Claim Administrator has entered into one or more agreements with Prime Therapeutics LLC or other entities (collectively referred to as “Pharmacy Benefit Managers”) to provide, on the Claim Administrator’s behalf, Claim Payments and certain administrative services for your prescription drug benefits. Pharmacy Benefit Managers have agreements with pharmaceutical manufacturers to receive rebates for using their products. The Pharmacy Benefit Manager may share a portion of those rebates with the Claim Administrator. Neither the Employer nor you are entitled to receive any portion of such rebates as they are figured into the pricing of the product.

2. PAYMENT OF CLAIMS AND ASSIGNMENT OF BENEFITS

- a. Under this Health Care Plan, the Claim Administrator has the right to make any benefit payment either to you or directly to the Provider of the Covered Services. For example, the Claim Administrator may pay benefits to you if you receive Covered Services from a Non-Administrator Provider. The Claim Administrator is specifically authorized by you to determine to whom any benefit payment should be made.
- b. Once Covered Services are rendered by a Provider, you have no right to request the Claim Administrator not to pay the Claim submitted by such Provider and no such request will be given effect. In addition, the Claim Administrator will have no liability to you or any other person because of its rejection of such request.
- c. A Covered Person's claim for benefits under this Health Care Plan is expressly non-assignable and non-transferable in whole or in part to any person or entity, including any Provider, at anytime before or after Covered Services are rendered to a Covered Person. Coverage under this Health Care Plan is expressly non-assignable and non-transferable and will be forfeited if you attempt to assign or transfer coverage or aid or attempt to aid any other person in fraudulently obtaining coverage. Any such assignment or transfer of a claim for benefits or coverage shall be null and void.

3. YOUR PROVIDER RELATIONSHIPS

- a. The choice of a Provider is solely your choice and the Claim Administrator will not interfere with your relationship with any Provider.
- b. The Claim Administrator does not itself undertake to furnish health care services, but solely to make payments to Providers for the Covered Services received by you. The Claim Administrator is not in any event liable for any act or omission of any Provider or the agent or employee of such Provider, including, but not limited to, the failure or refusal to render services to you. Professional services which can only be legally performed by a Provider are not provided by the Claim Administrator. Any contractual relationship between a Physician and an Administrator Provider shall not be construed to mean that the Claim Administrator is providing professional service.
- c. The use of an adjective such as Participating, Administrator or approved in modifying a Provider shall in no way be construed as a recommendation, referral or any other statement as to the ability or quality of such Provider. In addition, the omission, non-use or non-designation of Participating, Administrator, approved or any similar modifier or the use of a term such as Non-Administrator or Non-Participating should not be construed as carrying any statement or inference, negative or positive, as to the skill or quality of such Provider.

STATEMENT OF ERISA RIGHTS:

As a participant in this Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

Receive Information About Your Plan and Benefits:

- a. Examine, without charge, at the Plan Administrator’s office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- b. Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.
- c. Receive a summary of the plan’s annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue Group Health Plan Coverage:

- a. Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this booklet and the documents governing the plan on the rules governing your COBRA continuation coverage rights.
- b. Reduction or elimination of exclusionary periods of coverage for Preexisting Conditions under your group health plan, if you have Creditable Coverage from another plan. You should be provided a certificate of Creditable Coverage, free of charge from your group health plan or health insurance issuer when you lose coverage under the plan, when you become entitled to elect COBRA continuation coverage, when your COBRA continuation coverage ceases, if you request it before losing coverage, or if you request it up to 24 months after losing coverage. Without evidence of Creditable Coverage, you may be subject to a preexisting exclusion for 12 months (18 months for late enrollees) after your enrollment date in your coverage.

Prudent Actions by Plan Fiduciaries:

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called “fiduciaries” of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit under the plan or exercising your rights under ERISA.

Enforce Your Rights:

If your Claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator.

If you have a Claim for benefits which is denied or ignored, in whole or in part, you may file suit. In addition, if you disagree with the plan’s decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit. If it should happen the plan fiduciaries misuse the plan’s money or if you are discriminated against for asserting your rights, you may seek assistance from the U. S. Department of Labor, or you may file suit. The court will decide who should pay court costs and legal fees.

If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees if, for example, it finds your Claim is frivolous.

Assistance with Your Questions:

If you have any questions about the plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U. S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U. S. Department of Labor, 200 Constitution Avenue, N. W., Washington, D. C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
