If you do not have a U.S. SSN or ITIN, have you applied for one?

- Yes
- No
- I have SSN or ITIN

- Payroll system
- Student system
6- Put student type or select “not a student” if you are not enrolled in full-time classes at NU.
7- Occupation should be your position at NU, such as graduate student, postdoc, visiting scholar, professor, etc.

8- “Date First Ever Entered U.S.” should be just that. The first time you entered the U.S. in your lifetime. We like to match that with the dates you enter on page 5, to assure you are listing all of the appropriate immigration records.

9- If you are in the U.S. alone and another U.S. taxpayer is not claiming you as a dependent, you can select “yes” to “Claiming Personal Exemption.”

10- “Are you the recipient of a foreign grant?” This would be “yes” if you are receiving grant money from a country outside the U.S.
11- “Have you proved to the IRS that you have a closer connection to a foreign country that to the USA?” This is a lengthy process that a tax attorney would have to help you with. If you are unsure, the answer is “no.”
12- Have you submitted an application to become a US lawful permanent resident?” This is related to becoming a greencard holder. Unless you won the greencard lottery and have applied, the answer is probably “no.”
13- “Are you engaged in a full-time program?” This is asking if you are a full-time student at Northwestern University.
14- “Do you wish to claim the treaty benefits if they are available?” If your country (country of tax residency) has a tax treaty with the US, which means you pay your taxes to your resident country instead of the US; do you want to claim it?
15- On Page 5, enter all of your immigration details that apply. You don’t need every entry and exit (for summer or winter break), but all visits as a whole.
- We need ALL visits, even as a tourist, in the current year and past two years. In 2017 we would need visits for 2015-2017.
- Any F, M, J, or Q visits, even as a dependent, since 1985. This includes any previous student visits or as a F-2 or J-2 dependent.
- Your current status at Northwestern, using your projected completion date as your “last day in the U.S. in this status.

Make sure you do not miss entering all applicable visits since it will cause you to be taxed wrong!

Step 5: Visa/Immigration Status History

Please list all visa activity that satisfies any of the following criteria:
- Visa immigration activity within the past three calendar years.
- F, J, M or Q visa immigration activity since January 1, 1985.
- Visa immigration activity since January 1, 1985 for which you received treaty benefits.

When you are finished, click the Continue button at the bottom of the page.

16- Check box that you are submitting the information. You can email us, but we will also check for new records multiple times a day.
