CCIS CONVERSATION PARTNERS (for Students)

Meet a CCIS volunteer weekly and improve your English conversation skills while discussing American culture and social customs, politics and news, your Northwestern classes, local entertainment and sports, or any other topics of interest to you and your conversation partner. This program is open to students, post-docs, and faculty.

CCIS also sponsors an English class for spouses. Look for that flyer for your husband or wife as well.

At certain times of the year, it may take several weeks to match you with an English conversation partner. Please be patient.

Unfortunately, the number of volunteers available for the Chicago campus is very limited. Therefore, if you are at the Chicago campus, signify if you are willing to come to Evanston to meet a partner. Otherwise, do not pay the registration fee until you receive a partner.
