Please Submit Fall-Winter 2006 Meeting Schedules

Please submit Fall-Winter 2006 meeting (clubs, groups, seminars) schedules no later than *August 21* to ensure publication in the September 2006 issue of the Basic Science Newsletter. Please provide meeting dates, times, locations and contact information. You may email b-sutcliffe@northwestern.edu or fax to 847-491-2224. Thank you for your help.

Basic Science Newsletter One-year Anniversary

August marks the one-year anniversary of the Basic Science Newsletter. The newsletter has grown from one to two pages, and the number of meetings and events published grew from 8 to 15.

We welcome your comments and suggestions for future issues.

Thank You H-Foundation
