Spotlight on Carol Henes

Carol Henes has been a staff member at NU for 4+ years. Presently, Carol holds the position of the Associate Director of the Master of Information Technology Program for the Robert R. McCormick School of Engineering and Applied Science. A few of Carol’s job responsibilities include marketing and recruiting, day to day administration and program evaluation. Carol says she enjoys her job because she is involved in many aspects of the program. Carol has an undergraduate degree in Music from Indiana University and a Master’s degree in Public Health from the University of North Carolina.

**Quick Takes**

**Take Charge of Your Career**

**NUSAC brown bag seminar**

Lonnie Dunlop, NU’s Director of University Career Services, will present a NUSAC-sponsored brown bag seminar called “Taking Charge of Your Career” in February. Dr. Dunlop will talk about the twists and turns of life experiences, the job market, and our own changing needs/ transitions that make career planning a daunting challenge. She will explore questions such as “How can I set goals, but also manage the unexpected?” and “How can I connect both current and future job opportunities with personal and professional growth?” This workshop will help participants identify individual career needs and explore next steps.

Here are the dates and locations.

- **Chicago Campus**: Wednesday, February 18, 2004 from 11:45 – 1:15 in Strawn - Room MC 195, Law School McCormick Building, 350 E. Superior Street
- **Evanston Campus**: Wednesday, February 25, 2004 from 12:00 – 1:30 in the Northwestern Room in the Norris Center

In April, NUSAC will present a second career development brown bag seminar that will be presented by NU’s Department of Training and Development.

**NU TO SPONSOR COMMUNITY CHILD AND FAMILY RESOURCE FAIR**

**Tuesday, February 3, 2004 from 4:30 to 7 p.m.**

at Norris Center, Louis Room

Northwestern University’s Office of Childcare, Family Resources and Work Life is sponsoring an Evanston Area Family Fair to bring family related businesses and resources under one roof. The fair will include exhibitors from a variety of interest areas for young families including health and safety, private education, early childhood education, child care and after-school programs, recreational activities, enrichment programs and children’s retailers.

The resource fair provides faculty, staff and students convenient access to information just in time for children’s summer camp, fall childcare and recreational arrangements. Exhibitors will provide program information, giveaways and hands-on activities for children. Fair attendees will also have an opportunity to win raffle prizes.

**Prescription Drug Plan**

There have been many questions about the new prescription drug program administrator: Walgreens Health Initiatives. Walgreens Health Initiative became the administrator of the prescription program effective January 1, 2004 for PPO, HMO Illinois and Aetna HMO members. While Walgreens is a well known pharmacy name in Chicago, there is no requirement that an employee fill their prescription at a Walgreens pharmacy. You are able to fill your prescription at the retail pharmacy of your choice. There is no extra benefit for using a Walgreens’ facility. Also, plan members have the choice of obtaining maintenance medications at a retail pharmacy or by mail order. There is no University or health insurance company requirement that medications be obtained by mail order.

For more information about the prescription drug program visit the Northwestern Human Resources web site: [http://www.northwestern.edu/hr/benefits/plans/health/선거programs/index.html#whi](http://www.northwestern.edu/hr/benefits/plans/health/선거programs/index.html#whi)

**Welcome! Chicago Campus Parking Advisory Committee**

The Chicago Campus Parking Advisory Committee was formed as an advisory body to assist in addressing parking issues that arise on the Chicago campus as this campus continues to grow. The Chicago Campus Parking Advisory Committee will assist in reviewing annual parking rates, changes to parking policies and allotment allocations, as well as serve as a sounding board for grievances and issues regarding parking on the Chicago campus. This committee will operate similarly to the Evanston Campus Parking Advisory Committee.

**Your 2004 Chicago Campus Parking Advisory Committee**

- Debbie Garfi, University Services and Parking Office
- Kenneth Jones, University Police
- Kathy Kajawa, School of Continuing Studies
- George Langford, Law School
- Angelina Solorio, NUSAC Representative
- Janet Stevens (Chair), Feinberg School of Medicine
- Al Telser, Feinberg School of Medicine
- Anish Thakker, Kellogg Graduate School of Management
