NORTHERN UNIVERSITY
WILDCARD AND BANKING SERVICES AGREEMENT

1. Parties; Terms of Agreement. This WildCARD and Banking Services Agreement ("Agreement") is executed and entered into between NORTHERN UNIVERSITY, Evanston, Illinois ("University") and U.S. BANK NATIONAL ASSOCIATION, ("Bank") (collectively, "the Parties") on April 1, 2004, for an initial term commencing July 1, 2004 and ending June 30, 2011 ("Term"). After completion of the Term, the parties may renew the Agreement on a yearly basis for up to three years should the Parties so agree in writing.

2. Parties' Objectives. University issues to students, staff and faculty ("Users") a multifunctional identification and service card to be known as the WildCARD ("WildCARD"). University desires to include Banking Services as a part of the function of the WildCARD and Bank is willing to provide services to the Users in accordance with this Agreement. As used in this Agreement, "Banking Services" will mean checking accounts linked to the WildCARD, automated teller machine services, and a branch office on campus.

3. Banking Services. Bank will during the term of this Agreement be the exclusive provider of Banking Services that may be accessed by Users through the WildCARD. Bank will provide a checking account at Bank to qualified Users, including students, faculty and staff of the University, which may be accessed through the WildCARD and will permit PIN-based point of sale ("POS") debit and automated teller machine ("ATM") transactions. The Bank will promote its Student Checking Account and Employee Workplace Banking Account for use with the WildCARD, but qualified Users may select any of the accounts offered by the Bank. Some of the features of the Student Checking and Employee Workplace Banking Accounts as of the date of this Agreement are also summarized on the attached Exhibit A. Bank may make reasonable changes to the terms in Exhibit A to enhance these account features, upon prior written notice to the University. Additionally, all Bank ATM's on the Northwestern University campuses will be free of transaction charges to Bank checking account holders when accessing their account with the Bank ATM/Debit Card, which can also be linked to the WildCARD, throughout the Term of this Agreement and any renewal periods. Eligibility for WildCARDs will be at the sole discretion of the University but a cardholder's eligibility for Banking Services shall be at the sole discretion of the Bank. Additional enhancements to the Banking Services will be subject to further agreement of both parties.

4. Automated Teller Machines. Bank will place seven (7) ATMs on the University's Evanston campus and three (3) ATMs on the University's Chicago campus. The operation of these ATMs shall be governed by the ATM Placement Agreement between Bank and University, attached hereto and incorporated herein as Exhibit B. The locations of the ATMs are indicated on Exhibit C, attached hereto and incorporated herein, which shall be revised from time to time as ATMs are added, removed or relocated by written agreement of both parties. During the term of this Agreement, Bank
shall have the right of first refusal with respect to any request by University for an additional ATM on the Evanston or Chicago campus, including future new construction on both campuses. University shall notify Bank if it determines that additional ATMs are needed on either campus. Bank shall have the option to place additional ATMs on either campus under the same terms and conditions as are set forth for ATMs under this Agreement. If Bank notifies University that it does not wish to place a particular additional ATM on campus, then and only then can the University contract with another financial institution to place such ATM rejected by the Bank.

5. Branch Services. Bank will operate a full-service branch in the Norris University Center. Bank will provide the University students, faculty and staff with the ability to open or close checking and savings accounts; make deposits to, withdrawals from, and transfers between such accounts; and cash checks. This space is approximately 165 square feet, and is located in the space previously occupied by another contractor. Bank will establish operating hours matching the reasonable demands of the campus community. The University and the Norris Center, grant the Bank the ability to make sensible improvements to the space. Any construction or renovation required for the performance of this Agreement will be at the expense of the Bank. The University must approve a plan for any such construction or renovation. Bank will vacate the premises at the end of this Agreement, and return the space to the conditions at the beginning of the term. Bank will be granted a “go dark” period of fifteen (15) business days at the end of this Agreement, effectively leaving the space vacant before new tenants. The Bank will provide sufficient staffing so as to manage the day-to-day services of its customers. Staffing is to be made up of full-time and part-time employees, including a manager.

Bank employees will be given the opportunity to purchase campus parking permits at the customary rates. Bank may elect from time-to time in its sole discretion and at its own expense to post interior and/or exterior signage as agreed by the University. Banking Services will be as described in the Bank Proposal. Notwithstanding anything contained in this Agreement to the contrary, Bank shall have the right to engage its business operations at the Premises. Usage is governed by customary practices, and subject to any applicable governmental laws, rules and regulations. Bank shall be responsible for all taxes associated with its operation of the Norris University Center branch location or its use of any other University facilities to provide services hereunder, including but not limited to leasehold taxes as applicable under Section 9-195 of the Illinois Property Tax Code.

(a) University will be responsible for WildCARD issuance and maintenance. University may contract all or a portion of the process of manufacturing, encoding, issuance and maintenance to third parties, but shall do so subject to the Technical Specifications for Banking Services contained in Exhibit D, attached hereto and incorporated herein.

(b) It is understood that the WildCARD will include the ability to perform other electronic functions in addition to the Banking Services. Any such functions shall not
interfere with the Banking Services functions and the specifications defined in this Agreement.

7. Lost, Stolen, and Canceled Cards. The University shall use reasonable efforts to advise Users who report a lost or stolen WildCARD to the WildCARD office to also notify the Bank directly, but is in no way responsible for a User's failure to notify Bank. Notice to the Bank should be made by the User calling 1-800-USBANKS, or by such other notification procedure as may be set forth by Bank from time to time. Both University and Bank will promptly notify the other, in a form and manner mutually acceptable to the parties, if a report of a lost or stolen card is received and shall provide to each other on a daily basis, in a form and manner mutually acceptable to the parties, a report identifying all terminated or canceled cards. Bank is not involved in any stored value function which may be attached to the WildCARDs, and Bank is not responsible to the University or any User for any losses associated with the stored-value function of the WildCARD, unless due to the act or negligence of Bank, its employees or agents.

8. Marketing.

(a) Bank will solicit new Bank accounts. Bank will prepare text acceptable to University for brochures or ATM messages relating to banking services for distribution to Users. University will acknowledge approval of text in writing. Bank will provide a significant on-campus presence (up to ten personal bankers for up to ten days) at Norris University Center during freshman orientation and class registration. Bank will continue to work with University to develop marketing materials and Financial Wellness Seminars to expand User awareness and understanding of the Banking Services. No marketing materials may be distributed at University without University’s prior review and written approval.

(b) The parties acknowledge that “WildCARD” is a trademark owned by University, therefore, any advertising, promotional material, or media containing the University name or any University mark shall first have the written approval of the University.

(c) Subject to University’s prior written approval, Bank may display informational and directional signage on the Evanston or Chicago campus identifying ATM locations, which signage shall be of commercially reasonable size and style. Bank may also display any signs or notices required by law to be displayed by Bank. Bank shall not cause to be fixed to any University property signage of any kind without the prior written approval of University.

(d) Subject to University’s prior written approval, Bank will customize a website for University that will provide information on the account offerings for the University community and will allow students, faculty and staff to view and open their accounts online.

(a) Bank shall pay to University amounts as described in Exhibit F (Revenue Sharing), attached hereto and incorporated herein.

(b) Records relating to the aggregate volume of transactions covered by this Agreement shall be maintained by Bank for a period of three (3) years from the date the record is made. Bank shall provide University or its authorized representatives, in addition to the monthly reporting requirements of Exhibit E, access for inspecting, examining, and auditing such records; provided, that one week's prior notice is given to Bank and the inspection, examination, or audit is conducted during Bank's normal business hours; and provided, further, that Bank shall not release any financial records relating to individual Bank customers to the University, other than customer names. The cost of such inspection, examination, or audit shall be at the sole cost of University, unless the audit uncovers an underpayment to the University of 1% or more of the annual payment. If such an underpayment is discovered, then the Bank shall bear the cost of such audit. University shall keep all information relating to Bank's operations strictly confidential.

(c) Except for the ATM located at the Huron Street Parking Garage, Bank will give a grace period of four months (through 10/31/04) before charging any non-U.S. Bank customer an ATM surcharge for a transaction conducted through a U.S. Bank ATM on University Premises. Thereafter, the surcharge for such a transaction will assessed as follows:

1. Surcharge at all ATMs with the exception of the Huron Street Parking Garage will be at $1.50 until 8/31/2005.
2. Effective 9/1/05 the surcharge at all ATMs with the exception of the Huron Street Parking Garage surcharge will be at $1.75 until 8/31/06.
3. Effective 9/1/2006 the surcharge at all ATMs with the exception of the Huron Street Parking Garage will be equal to the then current surcharge charged by U.S. Bank, from time to time, at its ATMs in the Chicago market minus $.25.
4. The surcharge at the ATM located at the Huron Street Parking Garage will be equal to the then current surcharge charged by U.S. Bank, from time to time, at its ATMs in the Chicago market.
5. Notwithstanding anything contained herein to the contrary, in no event shall any surcharge be greater than the maximum amount permitted by law.

10. Cancellation.

(a) Not less than six months prior to the termination of the Agreement, both parties will meet to discuss an extension. Unless extended by mutual agreement of the parties, at the specified termination date, this Agreement shall be deemed canceled and of no further force or effect as of the date of such termination, except as to obligations accrued between the parties up to the time of such termination.
(b) In the event of a breach of this Agreement by either party at any time during the term of this Agreement, the non-breach ing party shall provide written notice of such breach. In the event the breach is not cured or a suitable plan for curing the breach is not proffered within thirty (30) days from the date of such notice, the non-breaching party may thereafter terminate this Agreement upon an additional fifteen (15) days written notice to the breaching party.

(c) The University and Bank agree that each User who has an account with Bank attached to the WildCARD shall be a customer of Bank and, upon any termination of this Agreement pursuant to subsection (a) or (b) above, each User shall remain a customer of Bank unless such User chooses to terminate his or her account with Bank. Bank may solicit such Users in order to sell them the full range of banking products during the term of this Agreement or after its termination. University also may solicit such Users (i) during the term of this Agreement in order to sell them the full range of banking products from Bank and (ii) after the termination of this Agreement, in order to sell them any banking products offered through the University by any party. Upon any termination of this Agreement pursuant to subsection (a) or (b) above, University shall cooperate with Bank in order to de-link the User accounts from the WildCARD. Bank acknowledges that the WildCARDs and the ISO numbers used for the WildCARD accounts are and shall remain the property of the University at all times.

(d) Either party may terminate this Agreement immediately upon written notice to the other in the event of: (1) the liquidation or dissolution of the other party; (2) the making of an assignment of a substantial portion of its assets for the benefit of its creditors; (3) the filing of a voluntary or involuntary petition under any federal or state bankruptcy statute by the other party; or (4) the inability of the other party to pay its debts as they become due.

11. **Indemnification; Losses.** Notwithstanding any other provision in this Agreement:

(a) Bank will defend, hold harmless, and indemnify Northwestern University from and against any liabilities, losses, damages, costs, and expenses, including reasonable attorneys’ fees, which Northwestern may suffer or incur by reason of Bank’s negligence or the willful misconduct of employees, agents or officers of Bank arising out of the performance or nonperformance of services under this Agreement.

(b) Northwestern University will defend, hold harmless, and indemnify Bank from and against liabilities, losses, damages, costs, and expenses, including reasonable attorneys’ fees, which Bank may suffer or incur by reason of Northwestern’s negligence or the willful misconduct of employees, agents or officers of Northwestern. Bank acknowledges that Users are not by definition employees, agents or officers of the University and the University assumes no liability whatsoever for the individual acts of Users.

(a) Bank will not exhibit, sell or offer for sale, use, rent, or exchange on the premises where the ATMs and bank branch are located (collectively, the “Premises”) any article, thing or services without prior written approval from the University except those ordinarily embraced within the stated use of the Premises as provided for herein; and will not make or permit any use of the Premises which is forbidden by public law, ordinance or governmental or municipal regulation or order, or which increases the premium cost of or invalidates any policy of insurance carried on any of the Premises or covering its operation. In addition to all other liabilities for breach of any provision of this section, Bank will pay University an amount equal to the total increased cost of any insurance coverage resulting from any act of neglect by Bank as referenced above and all damages sustained by University as a consequence thereof.

(b) Bank will use reasonable efforts not to permit any person to use the Premises for any use or purpose in violation of the laws of the United States, the State of Illinois or the ordinances of the City of Evanston or Chicago. During the term of this Agreement, the Premises and all improvements at any time situated thereon and every part thereof will be kept by Bank in a clean condition and in a good state of repair and Bank will comply fully with all laws and ordinances relating to regulations applicable to said Premises. Bank will hold University harmless and indemnify University at all times against the loss, damage, cost or expense incurred by University resulting from any breach of this Agreement.

(c) Bank agrees to make no alterations on the Premises unless authorized in writing by University. Bank agrees to pay for all costs of authorized alterations for the purposes of using the Premises.

(d) If for any reason Bank vacates the Branch office at any time, the Branch and all improvements, attachments and fixtures thereto shall remain the sole property of Northwestern, at no cost to Northwestern, except that Bank shall have the right to remove from the Branch premises any of its operational equipment.

(e) Bank will operate the Norris University Center branch referenced in Section 5 of this Agreement as a full-service banking facility with access to the same (if not better) products and services as Bank’s other branches.

(f) Bank’s exclusive Five Star Guarantee ensures it puts its customers’ expectations first and foremost, including quality, accuracy, responsiveness, accessibility and availability. The Bank’s Five Star Guarantee ensures that every teller, every loan officer, every manager and every employee is committed to responsive, respectful, prompt and helpful service.

ATM Placement Agreement

The following is an agreement dated as of April 1, 2004 between U.S. BANK NATIONAL ASSOCIATION ("Bank") and NORTHWESTERN UNIVERSITY ("University").

1. Bank will install ten (10) Automated Teller Machines ("ATMs") at the University on the University’s campuses in Evanston, Illinois and Chicago, Illinois between June 20 and July 1, 2004 in locations mutually satisfactory to both parties. All ten (10) ATMs will pull data from the WildCARD via swipe readers, effectively nullifying the potential for "capturing" any unreadable card. University will supply power for the ATMs. If Bank requires site preparation or aesthetic changes to the ATMs, then Bank will pay for such changes upon prior written approval of University.

2. Bank will provide University with placement information such as power, communication, and service requirements.

3. Bank and University will mutually decide the exact location of the ATMs, at sites that must have access during normal business hours.

4. University will use reasonable efforts to inform its employees and students of the exact location of the ATMs.

5. Bank will, in a timely manner, provide all necessary servicing, maintenance, and settlement for the ATMs. University will provide access to the ATMs for Bank staff and third-party vendors for the purposes of cash loading, maintenance, and settlement.

6. Bank shall provide evidence, in the form of a certificate of insurance from an insurance carrier acceptable to Northwestern University, of insurance in effect for comprehensive general liability covering bodily injury (including death), personal injury, and property damage in an amount of not less than $3.0 million per each occurrence. Such coverage shall include Northwestern University as an additional insured. The coverage shall be primary to any other coverage that may apply on behalf of the University and be so stated in the aforementioned certificate.

7. During the term of this Agreement, Bank shall have the right of first refusal with respect to each request by University for an additional ATM on the Evanston or Chicago campus. University shall notify Bank if it determines that additional ATMs are needed on either campus. Bank shall have the option to place additional ATMs on campus under the same terms and conditions as are set forth for ATMs under this Agreement. If Bank notifies University that it does not wish to place one or more of the additional ATMs on campus as requested by the University, then the University
may contract with another financial institution to place such ATMs which Bank has rejected.

8. This Agreement will be for a term concurrent with that of the WildCARD and Banking Services Agreement between the University and the Bank.

9. Bank reserves the right to remove the ATMs as the result of any legal or regulatory developments, Bank is required to remove the ATMs. If possible, Bank will provide University with 180 days notice prior to such removal.

10. If this Agreement is cancelled or not renewed at the end of the term, Bank will use reasonable good faith efforts in working with the University and any new ATM provider in an effort to insure that there is no break in ATM service at the University. In order to assist in the accomplishment of this goal, Bank will leave its ATMs in place at the University for up to 90 days after the termination of this Agreement or until the new ATMs are ready to be installed, whichever shall occur first.

Exhibit F

Revenue Sharing

Exhibit F supercedes all revenue tables and descriptions in the original proposal, and coincides with the new terms of seven (7) years, with three (3) one-year renewals. During the life of the card program contract, Bank will dedicate “soft dollars” (monies spent by Bank toward the increased performance of the card program and a higher payout percentage). The sum of Bank “soft dollars” is approximately $20,000 per year.

Marketing $15,000 per year
Ongoing consultative advice $2,000 per year
U.S. Bank Publicity and News Print $2,000 per year
Website Link Development $1,000 per year

1. Bank will pay a $250,000 signing bonus on June 1, 2004.
2. Bank will pay a royalty schedule by December 30 in each of years 2 through 7 (beginning 12/30/05) based on % of net student participation in the program (See Table 1 immediately following). Minimum guaranteed royalty is $200,000 per year.
3. Bank will pay for all card stock and ribbon expenses, up to $1.00 per card for all University students, faculty and staff that choose to bank with Bank. Once a 50% student participation level is reached, Bank will pay for all card stock and printer ribbon expenses, up to $1.00 per card, on an ongoing basis, thus decreasing costs incurred by the University.

First year Northwestern University royalty is a signing bonus of $250,000 payable on June 1, 2004.

Years 2 through completion, Bank will pay Northwestern University an annual royalty per active account % of net participation, (measured on November 30, payable December 30) beginning in 2005. By measuring the success of the relationship on an annual basis, this model allows a full cycle of students, faculty, and staff to participate thus reflecting a larger penetration for the University.

This Third amendment to the Wildcard and Banking Services Agreement (this "Amendment"), is made as of September 29, 2016 ("Effective Date") by and between U.S. Bank National Association ("Bank") and Northwestern University ("University") and is incorporated into the Agreement by reference.

Pursuant to the Agreement dated as of April 1, 2004, along with the incorporated ATM placement Agreement and the First Amendment dated October 28, 2009 and the Second Amendment, dated October 2012, (collectively, the "Agreement"). Bank agreed, as described in more detail in the Agreement, to provide an on campus branch office, banking services on campus ID cards, and ATM teller machine services, to the University that may be accessed by and through an identification card.

Pursuant to the Department of Education’s release of a new rule amending part 668 of Title 34 of the Code of Federal Regulations ("new rule"), University seeks Bank’s help to comply with the new rule and make this Amendment part of the Agreement reflecting the necessary contractual changes required by the new rule. The parties agree that the provisions of this Amendment are to supersede any conflicting terms in the Agreement or any amendment thereto.

Therefore, in consideration of the premises, the mutual covenants hereinafter set forth, the payments provided for in this Amendment, and other good and valuable consideration, the parties agree as follows:

BANKING SERVICES

ID Card Selection and Activation. Users will have the option of selecting the standard ID card without banking services (dormant ATM card) or the standard ID card with banking services. All students with open Bank checking accounts are able to activate the ATM/PIN based POS functionality on the standard ID card, for no additional fee.

Account Features. Bank will offer a checking account product with Student and workplace benefits. All account features, services and fees will be disclosed through a website URL to the University and to students prior to opening any such product. Bank reserves the right to amend or enhance such features and fees from time-to-time, but will never charge fees for opening a student checking account, or allow the ID card to be marketed, portrayed or converted into a credit card. Additionally, all Bank-branded ATMs on University’s campus will be free of transaction charges, including balance inquiry to Bank account holders when accessing their account with a Bank ATM/Debit Card or linked ID card throughout the term of this Agreement and any renewal periods. Additional enhancements to banking services will be subject to further agreement of both parties.
