

What will it cost to study abroad?
Study Abroad vs. On-Campus Study at Northwestern
(example based on 2008-2009 cost)

These charts illustrate the comparative costs of a term or full year on a sample affiliated study abroad program (IES Paris) versus a term or full year at Northwestern University. Please note that all program costs differ: some programs may cost less than the sample below, while some may cost considerably more. Please contact each program directly for current costs.
