SCIENTIFIC

WORLDWIDE LEADER IN THE DEVELOPMENT
AND MANUFACTURE OF QUALITY PRODUCTS
FOR THE RESEARCH COMMUNITY

All Axygen products are manufactured in a
controlled environment and certified to be free
of RNase, DNase, DNA and pyrogens.

Get lot-specific **Certificates of Compliance**
for your Axygen products at www.axxygen.com.

**MAXIMUM
RECOVERY.**

For critical applications such as quantitative
PCR, where the target DNA is present in very
small quantities, MAXIMUM RECOVERY™
offers researchers a measurable advantage
over conventional products. No chemical
additives are used in the manufacturing
process, so no sample leaching is possible.
