Chicago Campus

Your guide to
Alternative Transportation

DID YOU KNOW...
You can receive pre-tax benefits for commuting with public transportation! Contact your human resource representative for more information on how to claim your pre-tax benefit or visit www.northwestern.edu/services/transportation/commuter/benefit/index.html.

If you decide to drive...
Limited parking is available on the Northwestern Chicago campus. University Services issues parking permits for qualifying staff, faculty and students. Contact University Services for more information at 312-503-8129 or visit www.northwestern.edu/services/transportation/parking.

KEY

The Northwestern University Chicago campus is located in the heart of downtown Chicago. There are many transportation alternatives instead of driving your car. Take advantage of the CTA, Metra, car sharing programs, biking, and walking around the Chicago area. You will not only save money and reduce stress, but also contribute to a more environmentally sustainable community.

Ride the bus or El with the Chicago Transit Authority. With single-ride tickets and monthly passes, the CTA is an affordable and effective transportation option. Check out the trip planner, maps, and bus tracker at www.transitchicago.com.

For convenient commuting, ride the Metra. Metra serves Cook, DuPage, Lake, Will, McHenry, and Kane counties and discounted monthly, 10-ride, and weekend passes are affordable alternatives. Check out www.metrarail.com for information on fares and routes.

Northwestern University operates several shuttles for students, faculty and staff. A valid WildCARD is required to ride the shuttles. All shuttle buses are equipped with bike racks. Chicago campus routes include:

- Intercampus shuttle: Free with a valid WildCARD; provides service between the Evanston and Chicago campus
- SafeRide Shuttle: Late night service to area train stations
- Train Station Shuttle: Operates between the Chicago campus and Ogilvie, Union, Randolph and LaSalle Street train stations

For a complete list of University shuttles and additional information, visit www.shuttle.northwestern.edu.

Northwestern's Chicago campus is located in the heart of the Watertown and Streeterville area. Take advantage of Chicago and visit some of the nearby attractions:

- Museum of Contemporary Art
- Water Tower Place
- Lake Shore Park
- The Magnificent Mile
- Navy Pier
- Buckingham Fountain

And much, much more!

Explore Chicago by bike! Northwestern has its own bike room where you can safely store your bike for \$25 a year. www.northwestern.edu/userservices/transportation/parking/bicycle.html

Interested in carpooling to work? Northwestern now offers incentives, like the Emergency Ride Home program, to faculty and staff members participating in the NU/PACE Rideshare program. Check out www.northwestern.edu/userservices/transportation/commuter/rideshare.html for more details.

I-GO: www.igocars.org
Use I-GO and only pay to use the car. Gas, insurance, repairs, and parking will no longer be an issue! I-GO cars are located in several garages around campus, including the 275 E. Chestnut St. garage north of campus.

Zipcar: www.zipcar.com
Zipcar allows you to pick a plan based on how often you drive and which car you drive. Register online and then pick up a Zipcar at the 275 E. Chestnut St. and Erie-Ontario garages.

For a complete list of I-GO and Zipcar locations, visit <http://www.northwestern.edu/userservices/transportation/commuter/carsharing.html>
