Obtaining a Permit:

Chicago campus parking permits are available beginning in mid-September. Permits are sold to students on an annual, academic year, or quarterly basis. Faculty and staff parking rates are based on a salary-tiered structure and are paid through monthly payroll deductions.

The following must be presented to purchase a parking permit:

- a valid Northwestern University WildCARD
- a valid driver's license
- current vehicle registration or insurance card

All parking permits are non-transferable. Replacement decals may be purchased at the Parking Office for a nominal fee.

Falsification of any information for the purpose of obtaining a parking permit or repeated violations of rules and regulations may result in the forfeiture of all parking permits, fees, and eligibility for any subsidized parking rates. The University assumes no responsibility or liability for any damages caused by fire, theft, casualty, or any other cause whatsoever with respect to any car or its contents, in the areas subject to the University's jurisdiction.

Displaying Permits:

Parking permits must be affixed to the vehicle's outside rear windshield, lower right corner. Do not attach with tape.

Vehicles must be parked with the rear bumper facing the aisle, not backed into parking spaces. Permits must face the aisle.

Vehicle storage is not allowed. Any vehicle, including motorcycles, parked in any parking facility for more than 24 hours will be subject to towing at the owner's expense and public parking rates will be applied.

Parking Violations:

The vehicle title/registration holder is responsible for all violations. Parking violations can be paid at the Parking Office. A list of common violations that may result in a ticket, a deactivated WildCARD/key card, or towing are provided below:

- Transferring a parking permit to another individual
- Invalid parking permit on vehicle

- Unauthorized or altered parking permit
- Incorrect permit for parking lot
- Parking permit not properly displayed
- Parking permit not facing aisle
- Parking over yellow line
- Parking in reserved or handicapped space
- Parking or obstructing traffic lanes, fire lanes, service area, posted area, or other restricted areas

The Northwestern University Police Department enforces parking regulations and issues parking tickets. The Parking Office records the violations and tracks payment. If payment is not received, the individual's WildCARD/key card is subject to deactivation and their vehicle may be towed. Reactivation of WildCARD/key card will not occur until payment is received.

Parking enforcement is in effect 24 hours a day, 7 days a week. University Police and the Parking Office may establish and enforce any special temporary parking restrictions deemed necessary for the safety of its patrons and facilities. University Police and the Parking Office reserve the right to deny or revoke any parking privileges.

Cancellation Policy:

It is the responsibility of the permit holder to return all permits to the Parking Office if no longer employed or campus parking is no longer desired. Faculty and staff may cancel their parking permit by submitting a cancellation form to the Chicago Campus Parking Office. Staff/Faculty must also inform the department parking administrator as soon as possible.

In order to prevent payroll deductions for the following month's parking, the Parking Office needs to receive the cancellation notice by the 5th of the month. If the form is not returned before the deadline, the WildCARD/Key card will remain active until the end of the month, a payroll deduction will still occur and no refunds will be given.

Accessible Parking:

All of the parking garages feature accessible parking spaces for people with disabilities. Contact the Chicago Parking Office for more information.

Motorcycle/Scooter Parking:

A limited number of motorcycle/scooter parking permits are available for designated spaces in Lots A and D.

Bicycle Parking:

The new bike room can accommodate 68 bikes and is located in the Erie-Ontario Parking Garage (D Lot). Enrollment is available for an annual fee of \$25.00, with priority given to students. Free bicycle racks are available next to the Law School and in the medical complex courtyard between the Searle Building and Wieboldt Hall. University Police offer bike registration and sell Kryptonite U-Locks at cost.

Motorist Assistance:

In the event of minor mechanical problems (low tire inflation, weak car batteries, etc.), parking garage staff at Lots C, D, and E may be able to provide assistance or recommend a local roadside assistance service. Please contact the garage office for more information.

University Police Escorts:

University employees and students can arrange for a police escort to their vehicle by calling University Police at (312) 503-8314. Arrangements will be based on time, mode of transportation, and University Police availability.
