London School of Economics & Political Science SUMMER PROGRAM course equivalents

The NU Department of Economics has approved the following London School of Economics & Political Sciences [LSE] **summer program** courses to be articulated as the NU equivalents listed below. Students will not need to go through any additional study abroad course equivalency approval process for the below courses. Upon receipt of final transcripts from LSE, the RO will review to ensure that completed courses meet NU's [minimum grade and credit transfer requirements](#) and apply the below articulations automatically.

(Please note that the below equivalents apply *only* to LSE **summer program** courses.)
