

UPAL Peer Mentor

Description

UPAL peer mentors meet weekly with a small group of students to help them refine and enhance their academic strategies and work productively through any academic challenges they experience. Read about UPAL [here](#).

Job Duties

The peer facilitator will:

- Attend and participate in yearly mentor training (up to half day).
- Be prepared to lead a one-hour UPAL session each week (curriculum provided).
- Submit weekly attendance and session reports.
- Attend one-hour weekly all-mentor meetings.
- Regularly check and respond to emails.
- Lead sessions with professionalism and a commitment to the learning of all students.

Qualifications

The Peer Mentor must:

- Be a Northwestern University undergraduate student.
- Be committed to fostering learning environments where students with a wide variety of social identities feel valued and included.
- Be committed to growing and improving as a peer leader over the year.
- Have outstanding interpersonal skills.
- Be committed to helping other Northwestern students succeed.

Dates of Employment

The Peer Mentor must commit to the role for the entire academic year.

Compensation

- The Peer facilitator will be paid on a biweekly basis throughout each quarter they are employed.
- Students who are work-study eligible may elect to have their stipend put toward their work-study allotment (this is optional, not required).
- Students with or without work-study eligibility are welcome to apply.
