

**Total Cash Received on Sponsored Awards, 01-15-2011 ASRSP**

The Total Cash received on a Sponsored Award is listed in the Cognos report GM0045 Sponsored Project Budget Statement within the Project header. There are 2 caveats.

- **The Total Payments Received** now reflects payments for Clinical Trial awards AND all other awards that were established in NUFinancials after December 8, 2008. Please call ASRSP (847 491-7776) for payment information on Awards converted from CUFS to NUFinancials.
- **Total Payments Received** is at the Contract level and includes all projects that exist under the Contract. It is NOT the cash received on the individual project.
