

Getting this error message?

Go to:

<https://app.smartsheet.com/b/home>

Select "Sign In with your company account," and you will enter your NetID & Password. Once it loads, go back to <https://www.northwestern.edu/budget/resource-planning/urgent-requests-status/> and refresh the page. You should now be able to see the status of your request(s). If you have any issues, please email budget@northwestern.edu

The screenshot shows the Smartsheet login page. At the top, it says "smartsheet" and "Welcome back to Smartsheet". Below this is a link: "Don't have an account? Create one". There are three main login options: "Sign in with your company account" (which is highlighted with a yellow box), "Sign in with Microsoft", and "Sign in with another account" (with a dropdown arrow). Below these is an "Or" separator. Then there is an "Email" section with a text input field labeled "Enter your email". Below that is a button with a play icon labeled "Send me a code". Then there is a button with an envelope icon labeled "Sign in with email and password". At the bottom, it says "Smartsheet region: Default" with a dropdown arrow and a help icon.
