Communicate your continued interest in the opportunity

Dear Adam Samuels,

Thank you for taking the time to interview me yesterday for a position as a corps member of Teach For America. I enjoyed learning more about the organization's positive impact and left the interview with a heightened enthusiasm for contributing to the movement.

I am passionate about educational reform, and I am committed to ensuring a strong education for all students. My leadership experiences at Northwestern have prepared me to motivate students and instill a love of learning within my classroom. Education is paramount to our future, and I am eager to make an impact as a TFA corps member.

Thank you for providing me with the opportunity to interview for this transformative role. I look forward to hearing from you.

Thank you,

Elizabeth Locke
