Dear Mr. Samuels,

Thank you for taking the time to interview me yesterday for a position as a 2021 Corps member of Teach for America. I enjoyed learning more about the organization's positive impact and left the interview with a heightened enthusiasm for contributing to the movement.

I am passionate about educational reform, and I am committed to ensuring access to a strong education for all students. My leadership experiences at Northwestern have prepared me to motivate students and instill a love of learning within my classroom. Education is paramount to our future, and I am eager to make an impact as a TFA corps member.

Thank you for providing me the opportunity to interview for this transformative opportunity. I look forward to hearing from you.

Sincerely,

Elizabeth Locke
