SEPTEMBER

Up is Down: Mid-century Experiments in Advertising and Film at the Goldsholl Studio

Tues, 9/18 to Sun, 12/9, free

Block Museum of Art, 40 Arts Circle Drive

In the 1950s, Chicago-based design firm Goldsholl and Associates made a name for itself with innovative "designs-in-film." Headed by Morton and Millie Goldsholl, the studio produced television spots, films, trademarks, corporate identities, and print advertisements for international corporations like Kimberly-Clark, Motorola, and 7-Up. Although they were compared to some of the most celebrated design firms of the day, the Goldsholls and their designers are relatively unknown today. Opening in September 2018, the Block Museum's exhibition *Up is Down: Mid-Century Experimentation in Advertising and Film at the Goldsholl Studio* will reexamine the innovative work of Goldsholl and Associates and its national impact.

Other Courses

(offered throughout the school year)

Piano and Organ

The Music Academy Piano Division offers pre-piano class, which serves as an introduction to more formal piano instruction: keyboard instruction in two tracks for students ages 6 to 18, and instruction for adults. Pre-piano serves as an introduction to more formal piano instruction. Keyboard instruction for children begins with pre-staff music and expands to landmark-based intervallic reading. After the first year of study, most children participate in the Illinois State Music Teacher's Association curriculum assessment, where they demonstrate skills and receive certificates and pins for participation.

Strings

The String Division offers private lessons in violin, viola, and cello, with goals of both providing musical instruction and instilling a love of music and of learning music. The division believes that all children can learn to their potential when placed in an environment that includes clear instruction, an involved parent, and regular opportunities to listen to and perform.

Voice (adults)

Adult voice classes concentrate on basic vocal technique including registers, breathing, range, and diction. Unique teaching methods and small class size (4 to 5 students) produce good results after a short period of time. The class is recommended not only for people interested in singing, but also for adults who would like to improve their speaking voice. Private voice lessons also available

One Book, One Northwestern

A full program of events will kick off in September for our new One Book One Northwestern selection, *The Handmaid's Tale*. For more information about the One Book One Northwestern program, please contact Nancy Cunniff at onebook@northwestern.edu or 847-467-2294.

***The Handmaid's Tale* by Margaret Atwood Selected for One Book Program 2018-2019**

"The Handmaid's Tale," a book set in a dystopian future in which the U.S. government has been overthrown by an authoritarian regime that uses fertile women as handmaids to bear children for the ruling class, is Northwestern University's One Book One Northwestern all-campus read for the 2018-19 academic year. The author of "The Handmaid's Tale," Margaret Atwood, will deliver a keynote address Oct. 30 at Northwestern on both campuses. All first-year students are given a copy of the One Book each year.

One Book One Northwestern is a community-wide reading program hosted by the Office of the President. It aims to engage the campus in a common conversation centered on a carefully chosen, thought-provoking book. It began in 2005 for students in the Weinberg College of Arts and Sciences and has since evolved into a community-wide program involving students, faculty and staff from all majors and departments.

Everyone is encouraged to read the One Book selection. The Office of the President sends a free copy to incoming first-year and transfer students the summer before they arrive on campus.

Throughout the year, events like lectures, films, and discussion groups provide an opportunity for individuals to gather and talk about the issues presented in the book. Many of these events are open to the public and the entire community is invited to participate. Visit the Participate section to learn how you can get involved.
