Campus Compact AmeriCorps VISTA Member
*Northwestern University, Summer Academic Workshop, Student Enrichment Services
Evanston, IL, Cook County*

The Campus Compact AmeriCorps VISTA program places AmeriCorps VISTA members in full service with our campus and community partners for a one-year period. During this year, members spend 35 hours per week on their host site's campus or with one of that campus's community partners to work on building systems and programs that support low-income college students and community members. The VISTA member's work is to build capacity, meaning that rather than directly serving the community, they're enhancing or creating systems, structures, and resources that support the direct anti-poverty work. Campus Compact functions as the central VISTA program hub, performing program administration, offering training and support to VISTA members and their projects, and connecting the work happening in individual projects both to similar work happening nationwide and back to AmeriCorps. July 31, 2023– July 31, 2024

Please note that this start date is subject to change. Start dates are based on a federal calendar and are not flexible. Regardless of start date, the term of service lasts exactly one year.
