The 33rd Annual
**FACULTY
RECOGNITION
DINNER**

Hosted by President Michael Schill and Provost Kathleen Hagerty, the Faculty Recognition Dinner honors Northwestern faculty who have brought distinction to the University by earning important external recognition in the past year. As the COVID-19 pandemic precluded an awards dinner last year, tonight's honorees include faculty who received awards between January 2020 and March 2022.

The **Faculty Honors Committee** reviewed award recipients identified by the deans and department chairs, selecting the most prestigious awards for University recognition. Each subcommittee reviewed awards in its respective fields.
