

## **2023-2024 Year-End Committee Report**

<b>Committee:</b>	Faculty Handbook Committee
<b>Charge:</b>	Review Faculty Handbook and work on changes as required
<b>Chair:</b>	Kalyani Chadha
<b># of Meetings:</b>	1

### **Completed Business and/or Accomplishments**

The Faculty Handbook Committee had a quiet year as multiple members were on leave and there were no proposed changes to the faculty handbook. We did however have discussions about the fact that a large number of links in the Faculty Handbook were broken. Committee Chair Kalyani Chadha contacted the office of the Vice provost for Faculty Affairs to inform them about this situation. The committee was informed that the broken links were the result of an ongoing IT issue/update and would be resolved over the summer.

### **Unfinished/Continuing Business**

The new committee should make sure the links in the Faculty Handbook now work correctly.

### **New Business for Next Year**
