KEY DISRUPTIONS THIS MONTH

The following disruptions to campus life due to construction can be expected:

A. Trienens Performance Center: Building complex closed through November 2019 for renovation, with street parking restrictions along Ashland Avenue. Increased construction traffic.

B. Tech A/B Infill: Construction of addition to be complete May 2019. North Tech Drive is closed. Tech Drive east of the project will be repaved during May, with temporary relocation of dumpsters and food deliveries at Sargent Hall. Contractor facilities in Sargent Hall lot will be removed and area restored to parking.

C. Evanston Water Reservoir: City of Evanston project to demolish and reconstruct the existing reservoir through Summer 2021. Lincoln Street / Campus Drive are open with intermittent disruptions; flaggers present. Sidewalks on east side of Campus Drive and along Lincoln Street east of 560 Lincoln are closed for project duration, with marked pedestrian detours. Increased noise and construction traffic, including dump trucks.

D. Elder Hall: Food service renovation through 14 June. Dumpster located near loading dock.

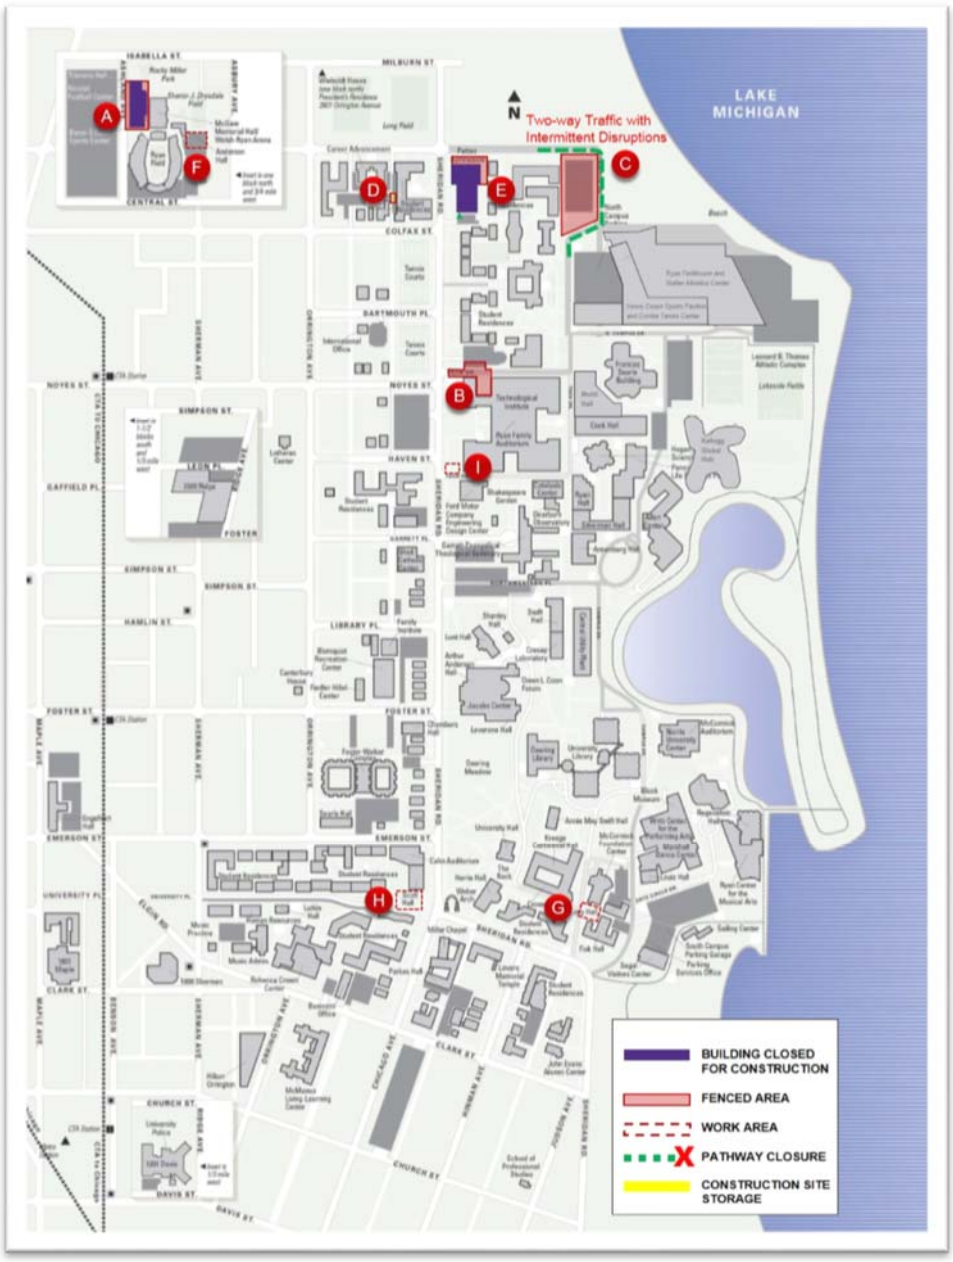
E. Patten Gym/Gleacher Golf Center: Renovation continues through October 2019. Limited access for student athletes through May via south doors. Deliveries to fenced area on north side of building.

F. East Ryan Field Parking: Asphalt repairs to north end of lot, 2-3 days (weather dependent), with disruption of last two rows of parking. Further paving work will occur following commencement. Please observe temporary parking restrictions.

Beginning Soon

G. Fisk/Locy Utility Vault: Phased reconstruction of existing vault to begin following commencement and continue through Fall. East-west pedestrian access will be detoured. Sporadic interruption of services to surrounding buildings is anticipated; specific dates/times will be coordinated with occupants.

H. University Place: Extension of buried chilled water lines at east end of University Place will begin following commencement. Fenced work area, increased construction traffic, and sporadic restrictions for deliveries.



I. South Tech Drive: Renovation of sanitary lift station. Increased construction traffic and sporadic lane restrictions.
