KEY DISRUPTIONS THIS WEEK

The following disruptions to campus life due to construction can be expected:

A. Ryan Fieldhouse and Walter Athletics Center: Sporadic path and road restrictions through end of October to complete exterior finishes. Fenced material handling enclosure at east end of new parking area.

B. Tech A/B Infill: Construction of addition to be complete May 2019. North Tech Drive is closed.

C. Welsh-Ryan Arena: Renovation and additions will continue through October 2018. Reduced parking capacity in East Ryan Lot through Winter 2018. Moving activity 30 July with parking restrictions on Ashland.

D. Mudd Hall Third Floor: Infill of shell space for computational research labs to be complete Fall 2018. Fenced material handling area on east side, with increased construction traffic. Sporadic material deliveries from East Tech Drive.

F. Sheridan Road Reconstruction: Final phase of municipal project for section between Lincoln Street and Ridge Avenue. Reconstruction of Lincoln Street and Sheridan Road intersection will continue through early September. Crosswalks and bike lanes closed/detoured and lane restrictions both directions. Weekend sidewalk closures at campus drives (South Tech Drive, Garrett, and Northwestern Place) will continue through 4 August.

G. Walker Terrace: Re-roofing Football Services Building through 31 August.

H. 619 and 637 University Place: Renovation and utility projects at two opt-out sororities will continue through 7 September. Fenced material handling area in north parkway of 637 University Place.

I. Kellogg Global Hub: Installation of monument sign south of main entry through 31 August. Increased construction traffic and sporadic sidewalk restrictions.
