KEY DISRUPTIONS THIS MONTH

The following disruptions to campus life due to construction can be expected:

A. Trienens Performance Center: Building complex closed through November 2019 for renovation, with street parking restrictions along Ashland Avenue and increased construction traffic.

B. Tech A/B Infill: Infill construction is complete. Interior lab improvements will continue through December. North Tech Drive is open with sporadic restrictions.

C. Evanston Water Reservoir: City of Evanston project to demolish and reconstruct the existing reservoir through Summer 2021. Lincoln Street / Campus Drive are open with intermittent disruptions; flaggers will be present. Pedestrian detours in place. Reduced activity during Wildcat Welcome. No construction on home football Saturdays.

D. Annenberg Hall: First floor renovations will continue through October. Dumpster located at southeast corner of building will be removed prior to Wildcat Welcome.

E. Patten Gym/Gleacher Golf: Renovation continues through October. Deliveries to fenced area on north side of building.

F. Central Utility Plant: Investigation and repair of underground steam leak between circle drive and Norris Center. Lane restrictions and possible pedestrian detours, 23 September through 8 November.

G. Allison Hall: Food service renovation will be complete for Wildcat Welcome. Fence and dumpsters will be removed by 10 September.

H. University Place: Underground utility work is complete, with site restoration through 10 September.

I. Scott Hall: Mechanical system replacement to be complete, and dumpster removed, by 15 September. Sporadic sidewalk restrictions for deliveries.

K. 717 University Place: Sorority house renovation with completion in early September. Dumpster on south side of University Place with one parking space restricted for project duration.

L. Alice Millar Chapel: Underground utility work in alley beginning 23 September and continuing through December. Alley will be closed to vehicles and pedestrians, with detour signage. Parking restrictions along east side of alley.

Beginning Soon

M. Fisk/Locy Utility Tunnel: Phased utility work to begin early October and continue through December. East-west pedestrian access will be detoured. Increased construction traffic with flaggers.
