PERSONALITY ACROSS DEVELOPMENT LAB

Interested in gaining research experience?

We cover a broad range of personality and psychopathology topics in our lab including personality, temperament, externalizing disorders, self-regulation, personality disorders, leadership, entrepreneurship, and the development of any of these. If you are interested in these topics or are looking for research opportunities before applying to graduate school, our lab may be a good fit for you!

Requirements:

- Mostly remote, some potential in-person activities
 - In-person work/activities are optional
 - We have a social distancing plan
- 7-hour per week commitment
- 2 consecutive quarter commitment
(i.e., Fall 2021 and Winter 2022)

Qualifications: (only if you want to earn course credit)

- Junior and Senior standing (if Sophomore, must have completed 3 psychology courses and have a GPA of 3.4 in psychology course)
- Enrollment in PSYCH 399 or PSYCH 397
