Interested in Medical School and Want Advice?
Join Pre-Med Pair Up!

- Pre-Med Pair Up (PMPU) is an organization that pairs undergraduates with medical student mentors from the Medical College of Wisconsin.
- Communication is over email so mentors can be easily accessible to the mentees. It is up to the MENTEE to reach out to the mentor.
- Mentees can ask for advice and get their questions answered about medical school and the application process.
  - (NOTE: Mentors are not a substitute for a professional advisor, just extra help!)
- Mentees will also get a chance to join us at MCW’s Milwaukee campus on February 15th, 2020!
  - Take a tour of the medical school
  - See a presentation from admissions
  - Meet with your mentor in person as well as get to know others
- Mentees will be assigned mentors on a first come, first serve basis.
  - We will try to match your interests with a mentor who has similar ones, depending on the number of mentors available.
