

Northwestern Medicine Student Health Service

Patients of Northwestern University Health Services are now patients of Northwestern Medicine Student Health Service. It is our privilege to care for you. Please review this information to help ensure you receive the most effective care.

What to expect

You can access your health information through MyNM. In addition to your Point and Click (PnC) account, you have access to the Northwestern Medicine patient portal, MyNM, via mobile app or computer.

You can pay via credit card or through MyNM. You can select who gets your bills.

We will directly bill your insurance carrier. You do not need to file insurance claims.

MyNM and PnC

Patient portals from Northwestern Medicine (MyNM) and Northwestern University (PnC) have different functions. Patients of Northwestern Medicine Student Health Service will use both.

Use MyNM to:

- View test results
- Schedule an appointment
- Message your care team
- Pay your bill
- Request prescription refills

Use PnC to:

- Upload immunization records using the below QR code

How To Open A MyNM Account

Scan one of the below QR codes for instructions on how to open a new My NM account via:

Desktop

MyNM Mobile App

Download the MyNM® app for easy access to MyNM from your mobile device. Simply text **MYNM** to **43506**, or find the MyNM app in the App Store or on Google Play.
