March Gladness Process and Guidelines:

1. Students and faculty can work together to get university groups to host events or make cards independently throughout the month of March.

2. Cardz for Kidz! will tally every card that’s received between March 1st and April 30th that meets the following guidelines:
   - Cards are signed with the staff, alumni, and/or student’s first name and SCHOOL.
   - Cards do not say ‘Get Well Soon’ or anything else referring to the children’s condition(s).

3. If there’s a tie, Cardz for Kidz! will set up a poll where all fans can pick to see which school has the BEST Top 10 cards.

4. School that has the highest combination of quality and quantity gets crowned the NATIONAL CHAMPION!

Rewards:

1. Bragging rights!
   - Since this is open to all universities, you’ll officially be #1.

2. Lasting impact!
   - The university who’s our “NATIONAL CHAMPION” gets to select the city, or at least state, that Cardz for Kidz! should reach out to when we get our next hospital/home:
     • 2016: University of Michigan – Philadelphia, PA – St Christopher Hospital
     • 2017: DePaul University – Flint, MI – Hurley Medical Center
     • 2018: MSU, Mankato – St Louis, MO – Shriners Hospitals For Children-St. Louis
     • 2019: MSU, Mankato – Omaha, NE – Ronald McDonald House Omaha
