

Benefits for your practice and your patients

## Accredo Specialty Pharmacy: Committed to Service and Care

Accredo is a full-service specialty pharmacy that provides personalized care to individuals with chronic, serious health conditions.

### About our services:

- Broadest access to specialty products and clinician-verified dosage and safety recommendations
- 24/7 access to our clinicians, plus flexible and convenient delivery to your office or a patient's home or workplace<sup>1</sup>
- Care coordination to minimize drug-related adverse episodes or gaps in care
- Complete medical and pharmacy benefit investigation
- Prior authorization and financial resource assistance support

### Additional benefits:

Specialized clinicians at our condition-focused Therapeutic Resource Centers utilize advanced expertise and care management programs to:

- Emphasize patient empowerment strategies to improve adherence
- Support the healthcare provider/patient relationship and plan of care
- Ascertain whether disease-state signs and symptoms worsen, potentially warranting intervention
- Maintain open lines of communication with you and your patient

With Accredo, you and your patients will have access to a team of pharmacists and nurses with extensive training and experience in specialty conditions.
