Things to keep in mind
Effective 1/01/2019, Northwestern University offers parking and transit benefits to its employees on a post-tax basis only.
- You can spend up to $1,265 a month, on a post-tax basis, for parking and transit.
- PayFlex will replace up to one nondelivered pass per plan year. However, we aren't responsible for:
  - Expired and lost passes
  - Passes that you receive late because of delays with local transportation authorities
  - Passes that you do not receive due to an invalid or incorrect address
- If you use a transit authority that offers a combined parking and transit stored-value card and plan to pay for both parking and transit expenses, you'll need to buy two cards — one for parking and one for transit. You can load funds onto both.
