Employee Reduced Tuition Benefit

Both the Employee Reduced Tuition Plan and Enhanced Employee Reduced Tuition Plan provide financial assistance to full-time, benefits eligible Northwestern employees. This assistance can be applied toward the cost of undergraduate or graduate courses taken at the University, as well as non-credit, on-campus Professional Development Programs through the School of Professional Studies.

A list of some eligible Northwestern programs can be found in the Professional Development section of our website.

This application only needs to be submitted once per calendar year, not academic year. If course of study starts in the Fall, you will complete one application in the fall, then another in January for Winter. Now you will only need to submit the application in January for every year.
