AM I GUARANTEED COVERAGE?

For your core coverage, this insurance is guaranteed issue coverage – it is available without having to provide information about your health.

For your buy-up coverage, if this is the first time you are eligible to elect coverage, evidence of insurability is not required. If you did not elect coverage the first time it was offered to you, evidence of insurability is required to elect coverage. Evidence of insurability is also required to make a change to enhance your current coverage.

This coverage is subject to a pre-existing condition exclusion, which is detailed on the Limitations & Exclusions sheet. Please refer to the Limitations & Exclusions sheet provided with this benefit highlights sheet for more information on limitations and exclusions, such as pre-existing conditions.

WHEN CAN I ENROLL?

Your employer will automatically enroll you for core coverage.

You may enroll in buy-up coverage during any scheduled enrollment period, within 31 days of the date you have a change in family status, or within 31 days of the completion of any eligibility waiting period established by your employer.

WHEN DOES THIS INSURANCE BEGIN?

Subject to any eligibility waiting period established by your employer, insurance will become effective in accordance with the terms of the certificate (usually the first day of the month following the date you elect coverage).

You must be actively at work with your employer on the day your coverage takes effect.

WHEN DOES THIS INSURANCE END?

This insurance will end when you no longer satisfy the applicable eligibility conditions, premium is unpaid, you leave your employer, or the coverage is no longer offered.

WHAT DOES IT MEAN TO BE DISABLED?

Disability is defined in The Hartford's certificate with your employer. Typically, disability means that you cannot perform one or more of the essential duties of your occupation due to injury, sickness, pregnancy or other medical condition covered by the insurance, and as a result, your current monthly earnings are less than 80% of your pre-disability earnings. Once you have been disabled for 2 years following the elimination period, you must be prevented from performing one or more of the essential duties of any occupation and as a result, your current monthly earnings are less than or equal to 60% of your pre-disability earnings.

Pre-disability earnings are defined in your policy.
