ATTENTION UTAH EMPLOYERS

Our goal as your RELIABLE labor law poster company is to ensure that you are always in compliance! We would like to make you aware that there may be other requirements your company is subject to in addition to posting your labor law posters in a conspicuous location.

☐ The Utah Antidiscrimination Act includes a requirement for employers to make reasonable accommodations for pregnancy and related conditions. Employers must also provide written notice of the law in an employee handbook OR post it in a conspicuous place. The Pregnancy and Related Conditions poster, which meets this notification requirement, is included on the enclosed Utah state poster as a convenience for our customers.

☐ If applicants for employment are normally seen in an area other than where you post your federal labor law poster, you need to post four federal notices in this area where applicants can easily see them. Poster Compliance Center publishes a Federal Applicant Edition poster that includes all four of these notices. Call Customer Service at (800) 322-3636 if you would like to order this poster.

☐ If your state has an E-Verify law (used to determine if workers are eligible for employment), covered employers must register for E-Verify through the U.S. Department of Homeland Security (DHS) and must post required participation posters.
  • Only employers who have registered should post the required posters which can be downloaded free during registration.
  • DHS prohibits commercial sale of these posters by third parties.

For these reasons E-Verify posters are not included on our state posters. For further information or to register for E-Verify, go to the DHS E-Verify home page at www.e-verify.gov or call 888-464-4218.

☐ Your state has a No Smoking law. Smoking is prohibited in all publicly owned buildings and offices. Designated areas for outside smoking are not allowed within 25 feet of building entrances, exits, air intakes, or windows. Ashtrays closer than 25 feet of the building must have a sign stating, "No Smoking" or "For extinguishing cigarettes only—No Smoking". Poster Compliance Center provides Free Specialty posters that include certain state-specific and generic signs. You can download a generic No Smoking sign on our Free Specialty Posters page at the following address: https://www.postercompliance.com/labor-law-posters/free-specialty-labor-law-posters/

Poster Compliance Center publishes labor law posters that include all general required notices for employers. Depending on a company’s industry, type of commerce, sector, location, or workforce, additional specialized notices may be required by federal, state, or local governments or agencies. Examples could include notices for a municipality, notices for federal contractors, notices that must be posted for the public or job applicants (in addition to those posted for employees), a labor law notice required in another language for employees who do not speak English, public sector notices, signage that must be posted at a specific location in your business such as the entrance, or a notice that can only be obtained through an insurance company.

UNEMPLOYMENT INSURANCE
NOTICE TO WORKERS

You are covered under the provisions of the Utah Employment Security Act for
unemployment insurance purposes, unless specifically exempted by the Act.

FILING FOR UNEMPLOYMENT INSURANCE BENEFITS

To receive unemployment benefits, you may file your claim online at jobs.utah.gov, select “Temporary Assistance,” then “Unemployment Benefits,” and then choose “File New or Reopen Claims.” You may also call the Claims Assistance and Re-employment Team at: Salt Lake/South Davis Counties – (801) 526-4400; Weber/North Davis Counties – (801) 612-0877; Utah County – (801) 375-4067; elsewhere in Utah and out-of-state – (888) 848-0888.

FILING AFTER RECEIVING WORKER’S COMPENSATION BENEFITS

If you are separated from employment due to a work-related illness or injury for which you have received Worker’s Compensation, your rights to unemployment benefits may be preserved for up to THREE YEARS from the date of your injury. In order to receive wages earned prior to such an injury or illness, you must file a claim for unemployment benefits within 90 DAYS of your doctor’s release to full-time work.

SEPARATION INFORMATION

At the time you are separated from your job, you should request information as to the reasons for your separation. You do not need to have a separation notice to file a claim. Both you and your employer will be requested to provide statements explaining the reason for your separation.

WAGES DETERMINE BENEFIT AMOUNT

The amount of your unemployment benefits will be determined from your wages in covered employment. “Wages” are all payments for personal services performed such as salaries, commissions, bonuses, tips, and the cash value of goods and services received for services performed. Tips received but not reported to your employer generally cannot be used to determine your unemployment benefits.

SELF-EMPLOYMENT

If you are classified as “self-employed” (independent contractor), you may want to discuss this with your employer and have your status reviewed by DWS. Work performed in “self-employment” cannot be used for unemployment benefits. You are “self-employed” if your work is performed without direction and control and you are in your own established business. This generally means you are properly licensed in business, perform similar services for others, maintain proper accounting records and business reports, pay self-employment taxes, and provide insurance.

INFORMATION FOR EMPLOYERS

Utah law requires that each employee’s wages must be reported each quarter with the regular quarterly contribution (tax) report. All wage and separation information and correspondence must include your unemployment insurance registration number. You must also maintain and make available records of wages and separation information on all workers for at least four (4) calendar years.

When an unemployment claim is filed by a former employee, the Department of Workforce Services will send Form 606 “Notice of Claim Filed.” This notice will provide an opportunity for you to report details of the reason for the claimant’s separation and, in some cases, to request relief of potential charges. You will also receive a Form 65 “Employer Notice of Potential Liability” showing any wages from your firm being used on the claim and your firm’s potential benefit costs.

If you have classified or contemplated classifying any of your workers as “self-employed” (independent contractors), notify the Department in order that a proper determination of status can be made. By doing this, you may avoid unpaid contributions (tax) liabilities, interest, and penalties. Additional information is available in the “Employer Handbook” which you can access on the Internet at jobs.utah.gov/u1/employer/public/handbook/employerhandbook.aspx

In accordance with Section 35A-4-406(1)(b) of the Utah Employment Security Act, this notice must be permanently posted by each employer at suitable points (on bulletin boards, near time clocks, etc.) in each work place and establishment.

2. Ask your employer where you should go for treatment. If your employer has a first-aid room or company designated doctor, go there promptly for treatment. If not, go to a doctor of your choice.

3. Tell the doctor HOW, WHEN and WHERE the accident happened. The doctor will fill out a physician’s initial report form. A copy of the report is given to you and copies of the report are sent to the insurance company and the Labor Commission within seven (7) days of your doctor visit.

HOW TO START COMPENSATION

1. Ask your employer which insurance company pays workers’ compensation benefits for the company.

2. Ask your employer to report the accident to the insurance company and give you the claim number.

Pregnancy and Related Conditions under the Utah Antidiscrimination Act

  - the probable duration of the accommodation; and
