11

*Scholars category includes visiting faculty, researchers, post-doctoral fellows and lecturers

56 Northwestern Students in South Africa

**Undergraduate**
38

**Graduate**
18

31 undergraduate students on Northwestern programs, 1 undergraduate student on affiliated program, 6 undergraduate students on journalism residency, 14 medical students on clinical rotations, 4 MBA students on exchange program

**PROGRAMS AND PARTNERSHIPS**

**Global Learning Office**

**Public Health and Development in South Africa**: Undergraduate spring study abroad program at the University of Stellenbosch. Students study public health, development policies and political reform, with excursions to hospitals, grass roots organizations, private agencies, and Kruger National Park

**Global Healthcare Technologies**: Undergraduate winter study abroad program for engineering students at the University of Stellenbosch. Students gain hands-on experience developing medical devices to improve health outcomes in resource-poor environments

**University of Stellenbosch Exchange**: Fall, winter-spring, or full year undergraduate exchange

**Feinberg School of Medicine**

**Stellenbosch University**: Clinical rotations for medical students at Tygerberg Hospital in Cape Town

**Kellogg School of Management**

**University of Cape Town – Graduate School of Business**: MBA exchange

**Medill School of Journalism, Media, Integrated Marketing Communications**

**Journalism Residency in Cape Town or Johannesburg**: Spring program open to undergraduate students in their junior year. Students work full time alongside veteran journalists in professional environments.

150+ Alumni based in South Africa

Due to the irregularities in student mobility caused by the COVID-19 pandemic, this document contains data from 2019, the last full academic year prior to the imposed travel restrictions. All other information is up to date as of September 2021.
