Evanston, Illinois 60208 – 4190  
Phone (847) 491-5613

**COMMUNITY COUNCIL  
FOR  
INTERNATIONAL  
STUDENTS**

**CCIS HOMESTAY PROGRAM**

Through the CCIS Homestay Program you are housed by a local individual or family for 2 – 5 days before your permanent housing is available. You will stay in contact and continue your friendship through your stay at Northwestern.

The Community Council for International Students is a volunteer community organization formed to help students from other countries during their stay at Northwestern University. It hopes that there will be mutual sharing of values, cultural experiences, and interests between the international student and local families.

***Our volunteers welcome you!***

Though your time here may be short, we hope that it is an agreeable time for you and that your stay in the United States is happy, productive, and satisfying.

Return this form to the International Office or send it by mail or fax to:
