

# Host Family Application

Complete this form online and send it to Greta Sims via email at [rgsims@att.net](mailto:rgsims@att.net).

The CCIS Host Family Program pairs Northwestern international students with local individuals or families who will involve them in various activities over the course of the year.

The Community council for International Students is a volunteer community organization formed to help students from other countries during their stay at Northwestern University. We hope there will be a mutual sharing of values, cultural experiences and interests between international students and host families.

***Our volunteers welcome you!***

Though your time here may be short, we hope that it is an agreeable time for you and that your stay in the United States is happy, productive, and satisfying.

## HOST FAMILY APPLICATION
