After logging in, the system will ask you to consent to receive forms electronically. There are five pages that you will have to enter information into; the sixth page is the confirmation page, in which you will check the box and click submit. Once you have done this, you will be locked out of the form and unable to make any changes. Please ensure that you have reviewed the instructions and the information entered before submitting.

To begin click on Data Entry on the top right-hand side, if it does not open automatically, click on Basic Information.

**BASIC INFORMATION**

1. The system has highlighted all required information in red, although it is suggested that you enter as much information as possible.
2. Once you have completed all necessary fields the hazard symbol next to the category will change to a file folder.
3. If you do not yet have a Social Security Number or ITIN taxpayer identification number, you can leave it blank.

**However, please review the Q&A on the first page for more information first.**

4. The system asks for several different types of ID numbers (Payroll System, Student System, Organization ID, and Financial/Accounts Payable System). The only ID number needed is the Organization ID, which is your student or employee ID from Northwestern. This is the seven-digit number on the front of your Wildcard. If you do not have one yet, please leave it blank.

5. Occupation should be your position at NU, such as graduate student, postdoc, visiting scholar, professor, Temp employee, etc.

6. If you are to be a regular NU employee, you can enter your job title.
INDIVIDUAL INFORMATION

1. “Date First Ever Entered U.S.” should be just that. The first time you entered the U.S. in your lifetime.
2. If you have not yet entered the U.S., then you can enter the date in which you intend to land or you can wait until after you arrive to complete this process.
3. If you are in the U.S. alone and another U.S. taxpayer is not claiming you as a dependent, you can select “yes” to “Claiming Personal Exemption.”

ADDRESS INFORMATION

1. A U.S. address is required.
2. If you have not yet arrived in the U.S., you can complete this process after you arrive and have all the necessary information.

ADDITIONAL INFORMATION

1. “Are you the recipient of a foreign grant?” This would be “yes” if you receive grant money from a country outside the U.S.
2. “Have you proved to the IRS that you have a closer connection to a foreign country than to the USA?” This is a lengthy process that a tax attorney would have to help you with. If you are unsure, the answer is “no.”
3. Have you applied to become a US lawful permanent resident?” This is related to becoming a green card holder. Unless you entered and won the Green Card Lottery (Diversity Immigrant
Visa Program), the answer is “no.”

4- “Are you engaged in a full-time program?” This is asking if you are a full-time student.

5- “Do you wish to claim the treaty benefits if available?”

6- If the country in which you last paid taxes has a tax treaty with the US, (this could mean you will pay lower taxes or no taxes to the U.S.) Do you want to claim it?

### IMMIGRATION STATUS HISTORY

7- On this, enter **ALL** your immigration details. You do not need every entry and exit (for summer or winter break), but **ALL VISITS**.

   a. For example, if you visited the U.S. for a few days back in 2015 with a B1 visa, enter that as one new record.

   b. Any visits, even as a dependent, since 1985. This includes any earlier student visits or as an F-2 or J-2 dependent, etc.

   c. Your current status at Northwestern, using your projected completion date as your “last day in the U.S. in this status.

1. Once again, for example, if your program dates listed on your I-20 are from September 7, 2022, to June 7, 2026, then you will enter this as one record with June 7, 2026, as your last day in the U.S.

2. If for example, your program dates on your I-20 have passed, September 7, 2021, to August 7, 2023, but you are on OPT then you will enter the dates on the I-20 as one record. Then the dates on your EAD card as another record, with the first date in the U.S begin the first date on your card and end date on your card being your last day in the US.
Please add all Visa/Immigration statuses that satisfy any of the following criteria:

- Visa immigration activity within the past three calendar years
- F, J, M or Q visa immigration activity since January 1, 1990.
- Visa immigration activity since January 1, 1986 for which you received treaty benefits.
