

ABOUT US

Black Voters Matters' mission is to increase civic engagement and power building in predominantly Black communities. We are looking for volunteers who want to join our power building team and make a real impact.

If you believe in our mission, take the next steps by volunteering with our texting, phone banking, fundraising, postcard party, and other campaigns.

Each volunteer opportunity helps to increase voter engagement, supports protecting our right to vote, and gets us closer to our goal of building permanent, progressive power in Black communities!

Start the power building journey!

**SIGN UP TO VOLUNTEER.

This list of volunteer opportunities is **NOT** complete!

Why? Because we know that we have a group of talented supporters that can assist in many ways.

If you are interested in any of the above opportunities or want to volunteer in other ways, reach out to Matilde, Partnership & Volunteer Manager: matilde@blackvotersmatterfund.org

POWER BUILDING TEAM VOLUNTEER

POSTCARD WRITING

Join our virtual postcard parties! With other volunteers, you will create personalized messages to remind individuals of the POWER that they hold in their communities. Postcard and training templates provided.

TEXT CAMPAIGNS

This is a remote opportunity to reach out to our communities on various issues. These campaigns register voters, enroll people in vote-by-mail, encourage participation in early voting, get people rides to the polls, and connect with communities on our issue mining campaigns. Training and sample scripts will be provided.

FUNDRAISING

Use your social media page to fundraise on behalf of Black Voters Matter. We will provide you with a fundraising kit that includes graphics, promotional material, and sample messages to help you get started. Merchandise and marketing materials are provided for in-person fundraisers.

SOCIAL MEDIA MOBILIZATION

Organize from home via the Empower App, you can engage your friends and family around important issues that affect our community. The purpose of this app is to help us stay in contact with each other, organize ourselves, and expand our reach to build the electoral power our communities need. We will provide sample messages, social media templates, and so much more!

WARRANT CLINICS

Out of the courtroom and into the community! The warrant clinic is a community-led, grassroots organizing program to help those who have failure to appear warrants because of misdemeanor offenses and traffic violations. This program creates an entry point to activism and civic engagement by eliminating the fear of arrest and waiving fines. You will help with pre-clinic details like client intakes and canvassing. We provide training, orientation, and sample scripts.

COMMUNITY EVENTS

Take action by joining us at any of our in-person community events that take place throughout the year. From participating in marches to registering people to vote, you will be a vital part of helping us to increase our engagement with the community.

CORPORATE AND COMMUNITY VOLUNTEER PARTNERSHIP

If you are part of a community organization, company, or group that is looking for meaningful volunteer opportunities, you can join our Volunteer Partnership Program. We will host fireside chats, provide training, and build personalized volunteer opportunities for your group.

PHONE BANKING

A remote opportunity for anyone interested in providing our communities with pertinent voting information such as upcoming elections, polling locations, and how to register to vote. We need volunteers who have a great phone presence - familiarity with Google Voice is recommended. We will provide training which will include information on how to use our phonebank and canvassing platforms.
